DATE: December 4, 1973

Special Prosecutor

SUBJECT: Electronic Surveillance -- James W. McCord, Jr.
(a/k/a Edward J. Warren, Edward J. Martin)

On July 6, 1973, this office requested that you supply us with electronic surveillance information pertaining to the above-named individual and any premises in which he had a proprietary interest. (Mr. Connolly of this office wrote to Mr. Harwood on July 17, 1973, informing him that McCord Associates, Inc., had business offices at 414 Hungerford Drive, Rockville, Maryland, and 1011 Arlington Boulevard, Arlington, Virginia.) On July 25, 1973, you responded that your files revealed that neither Mr. McCord nor any premises owned, leased, or licensed by Mr. McCord were subject to electronic surveillance.

Mr. Connolly filed an affidavit with the United States District Court for the District of Columbia on October 16, 1973, averring that he had inquired of the FBI to determine whether it had engaged in such surveillance and that the FBI had reported that the "pertinent" records indicated that there had been no surveillance. On November 7, 1973, Chief Judge Sirica entered an order that requires a person in the FBI familiar with the records search to file an affidavit describing the search that was conducted and the results thereof. I am attaching a draft of an affidavit to aid this individual in complying with the Court's order. The draft affidavit, which is based upon your memorandum of July 25, 1973, should serve merely as a guide, and the individual executing the affidavit should make any changes he deems appropriate in light of the Court's order. For your information, I also am attaching a copy of our prior memorandum of July 6, 1973, Mr. Connolly's letter of July 17, 1973, your memorandum of July 25, 1973, and the Court's order.

When the affidavit has been executed, please forward it to me, and I will arrange for its filing.

This is in reference to memorandum dated December 7, 1973, from Mr. Henry S. Ruth of your staff requesting information relative to the alleged role of Pablo Manuel Fernandez Mayan as an informant of the Federal Bureau of Investigation (FBI) or an unidentified law enforcement agency in Florida.

For your information, Fernandez has never been operated as an informant by this Bureau and an affidavit to that effect dated June 15, 1973, was filed with the U. S. District Court, Northern District of Florida, Pensacola, Florida, in the case entitled United States vs. John K. Briggs, et al.

With regard to the possibility Fernandez was an informant for a local law enforcement agency, we have no positive information. However, in the report of Special Agent William F. Guilfoile dated July 26, 1973, at Miami, page 71, in the Watergate case, information is set forth regarding Fernandez' relationship with Miami, Florida, Police Department officer Ralph Aguirre, which may be pertinent to Mr. Ruth's request. He has been interviewed extensively regarding the matter and had contacts with Scott Camil in connection with Vietnam Veterans Against the War/Winter Soldier Organization (VVAW WSO) plans to disrupt the 1972 Republican National Convention. Fernandez was scheduled to be called as a Government witness in the Gainesville trial but did not testify. During pretrial hearings it was necessary to submit an affidavit to the court relative to Fernandez' relationship with the Bureau which was that of a source and nothing more.

By memorandum dated December 14, 1973, Mr. Gary H. Baise, Associate Deputy Attorney General, was advised that the Bureau's position was that Special Agents Parham and Wilson should not be made available for interview by the Select Committee on Presidential Activities. On 12/17/73, Mr. Baise contacted SA James L. Williamson, Office of Legal Counsel, and stated he was in receipt of the Bureau letter. He stated he agreed that the Agents should not be made available for interview by the Committee, but wondered if it would not be possible to furnish the Committee the investigative results of their inquiries.

Mr. Baise was advised that the nature of the information involved in this matter was highly sensitive and as pointed out in our letter came from another Government agency. Therefore, some of the information as reported would probably not be made available to the Committee.

He said he would advise the Committee that the Agents would not be available but said that if the Committee requested the investigative reports involved, he would forward this request to us for our consideration.

Memorandum to Mr. Gebhardt
RE: SELECT COMMITTEE REQUEST TO
INTERVIEW SPECIAL AGENTS OF THE FBI

With respect to SA Wilson of the Miami Office, Mr. Baise said the letter from Thompson stated the thrust of the interview with him would be to develop the complete circumstances of the issuance of the search warrant on 6/21/72 which SA Wilson obtained to search Martinez' car.

 B1
Mr. Baise was advised that the information which SA Wilson has concerning the circumstances of the search warrant would not be made available and that the FBI was not at liberty to furnish such information to the Ervin Committee. C

Mr. Baise said he appreciated the FBI's position but he was terribly concerned that the Department has no real legal basis to stand on to refuse the Committee the opportunity to interview our Agents. He was advised that historically the FBI has not made Agents available to legislative committees, that to do so under pressure at this time would establish a most serious precedent and that it appeared the Department should stand firm and refuse the Committee access to the Agents. Mr. Baise stated he would discuss this matter further with Acting Attorney General Bork and probably with Mr. Saxbe, who may be in touch with the Director. Mr. Baise stated he had been stalling Mr. Thompson for about a week on this request and did not see how he could continue to refuse the request. He stated after he discusses the matter further in the Department he will be in contact with the Bureau.

SUBJECT: SENATE SELECT COMMITTEE ON PRESIDENTIAL

ROBERT L. WILSON

Attached is a memorandum addressed to me from Gary H. Baise, Associate Deputy Attorney General, dated December 10, 1973, captioned "Select Committee Request to Interview Special Agents of the FBI." The memorandum refers to us a letter dated December 4, 1973, sent by Fred D. Thompson, Minority Counsel of the Senate Select Committee, to Mr. Baise. Thompson's letter requested permission to allow staff counsel of the Committee to interview Special Agents Arnold L. Parham and Robert L. Wilson. As stated in Thompson's letter, the Committee request appears to be concerned with investigation conducted by SAS Parham and Wilson which related to the Watergate case.

In the past, we have permitted representatives of the Senate Select Committee to have access to certain Bureau interview reports and SAC Kenneth W. Whittaker was interviewed by representatives of the Committee concerning an event in which he was a participant. We have not to date authorized the Committee to interview our Special Agents concerning investigations they have conducted and it is my opinion that we should not authorize such interviews at this time.

CONTENTS OF GENERAL INVESTIGATIVE DIVISION CMI/amm 12/12/73

SA Arnold Parham is presently assigned to the Jacksonville Office but at the time of the break-in at the Democratic National Committee Headquarters in June, 1972, he was assigned to the Alexandria Office

SA Robert L. Wilson is the field Supervisor in the Miami Office who supervised all of the extensive investigation conducted by the Miami Office. He is extremely knowledgeable about the McCord case and, in addition, he was the SA who furnished an affidavit for search warrant on 6/21/72 before the U. S. Magistrate, Miami, Florida, which led to the obtaining that day of a search warrant which allowed SA Wilson and two other SAs to search E. Rolando Martinez' 1972 Dodge Dart automobile which was located in a parking building at the Miami International Airport.

Martinez' car contained a weapon and incriminating documents concerning the break-in at Democratic National Committee Headquarters, as a matter of fact, the material seized from the car was of little or no use from an evidentiary standpoint. There was no gun in the car although there was a carton of .22 caliber cartridges. The car did contain a matchbook from the Watergate.

OBSERVATION: We have consistently taken the position that we not make available our Agents to the Ervin Committee for interviews relative to substantive investigation in the McCord case. As a matter of fact, the only information we furnish to that Committee is the opportunity to review FD-302s of interviews conducted during the McCord investigation. Such FD-302s must be specified by the name of the person interviewed and are made available only for review, not copying.

RECOMMENDATION: That Legal Counsel contact Gary Baise, Associate Deputy Attorney General, and advise him that the FBI strongly objects to making our SAs available for interview by the Ervin Committee.

Re telcall from Assistant Director FRANCK to Miami,
12/19/73.

On late afternoon of 12/19/73, "BOB" WOODWARD, investigative reporter for "The Washington Post", Washington, D.C., left a message at the Miami Office for SA WILLIAM P. KELLY to contact him at Washington. SA KELLY has had no previous contact with WOODWARD and was not aware previous to speaking with WOODWARD, 12/19/73, that he has long been working on the Watergate story.

WOODWARD advised SA KELLY as follows:

WOODWARD has interviewed MICHAEL RICHARDSON of Miami, while RICHARDSON was a witness before Senate Select Committee, in closed door session. RICHARDSON reportedly told WOODWARD that he had first come to the Miami Office with information relative to developing negatives taken in first Watergate break-in prior to

Watergate arrests of 6/17/73², and had been interviewed by SA KELLY. RICHARDSON stated SA KELLY exhibited to him for identification purposes photographs of various of the principals in the Watergate matter, including photographs of those arrested.

WOODWARD asked SA KELLY to comment on the date of first interview of RICHARDSON. SA KELLY respectfully declined to answer.

WOODWARD stated he believes RICHARDSON is mistaken as to date of the first interview being prior to 6/17/72, and stated RICHARDSON has no written record of the date. WOODWARD asked if SA KELLY agreed with WOODWARD's conception. Again SA KELLY declined to answer.

WOODWARD then stated that if, in fact, RICHARDSON had come to the Miami Office prior to 6/17/72, there might be an indication that the FBI was already investigating various of the subjects on some security matter. SA KELLY merely told WOODWARD that at pertinent time, and since, SA KELLY has been working only criminal, and not security type investigations.

WOODWARD next suggested that perhaps someone in authority in the Miami Office might wish to call him about this matter. He was told by SA KELLY that the substance of his conversation would be furnished to appropriate Miami personnel.

Shortly thereafter, on 12/19/73, Assistant Director FRANCK telephonically contacted SA KELLY to advise that WOODWARD had contacted Mr. FRANCK concerning the above matter. Mr. FRANCK was furnished the above information, and the following:

RICHARDSON first contacted the Miami Office as a volunteer, some five days after Watergate arrests of 6/17/72, at which time SA KELLY interviewed RICHARDSON and exhibited various pertinent photographs, among several non-related other photographs. Full information relative to the first RICHARDSON interview is set out in report of SA WILLIAM P. KELLY, Miami, dated 6/28/72, pages 50 through 54. A second interview with RICHARDSON was conducted by SA ROBERT L. WILSON on 6/23/72, as reflected on page 55 of same report.

As the Bureau is aware, MICHAEL RICHARDSON, white male, age 29 or 30 years, is resident of 2062 N.E. 168th St., North Miami

MM 139-328

Beach, Fla., and is employed by father at Rich Photos, 1600 West Flagler St., Miami, a leading Miami area photo finishing business.

No additional contacts with Miami Office by WOODWARD are anticipated.

The foregoing is furnished for information purposes.

SUBJECT: JAMES WALTER MC CORD, JR., et al
BURGLARY OF DEMOCRATIC NATIONAL
COMMITTEE HEADQUARTERS
WASHINGTON, D. C.
6-17-72
INTERCEPTION OF COMMUNICATIONS

7/1 Bob Woodward, "Washington Post," (Telephone: 223-7236) telephonically contacted me the night of 12/19/73 and stated that one Michael Richardson, whom he characterized as a principal witness in the Watergate matter, had told him that he had reported information to the Miami Office of the FBI concerning the first break-in of the Democratic Party Headquarters, Washington, D.C. and prior to the 6-17-72 break-in in which the burglars were caught. Mr. Woodward stated that he had contacted SA William Kelly, Miami Office, who did not desire to discuss this matter with him but did suggest that he (Woodward) call me for verification as to whether Richardson's story was true or not. Mr. Woodward stated he did not believe Richardson's tale, but wanted to check with me to see if we could shed some light on it. *14*

I checked with SA William Kelly, former case Agent for the Watergate matter in the Miami Office who verified that Woodward had called him and who told me that Mr. Woodward or Richardson must be confused for, in fact, Richardson did not come to the Miami Office with information until approximately 5 days after the 6-17-72 break-in in which the burglars were apprehended. According to SA Kelly, when Richardson came to the Miami Office he already had the newspaper accounts of the apprehension of the burglars with him and this actually prompted his coming to the Miami Office.

I checked with Section Chief Richard Long who stated that the above information from SA Kelly was in keeping with his knowledge of the matter and that he had no objection if I so advised Mr. Woodward. I telephonically contacted Mr. Woodward the morning of 12/20/73 at which time I relayed to him the above clarification as furnished by SA Kelly. Mr. Woodward was deeply appreciative of our assistance and stated that he, therefore, would not pursue this particular matter any further concerning Richardson's information.

PABLO FERNANDEZ, 7750 SW 18th Terrace, appeared of his own volition at the Miami FBI Office. He advised he had been interviewed at Washington, D. C., on December 16, 1973, by three investigators for the Watergate Special Prosecutor's Office. He recalled only one name, NICK ARKMAN (phonetic). This interview was result of telephonic invitation about three weeks previously. There was no subpoena. He consulted his attorney, ELLIS RUBIN, Miami, who advised him to cooperate.

The interview was not under oath nor was he told that fact of interview or results of interview were to be kept confidential.

He had expected the interview to concern his relationship with convicted Watergate burglary figures. However, this relationship was barely mentioned. Almost the entire interview of perhaps two hours concerned his contacts with the VVAW. The investigators asserted there was proof that FERNANDEZ had been in contact with FBI SA FRANCIS E. GIBBONS prior to August, 1972. FERNANDEZ denied this allegation. He was also asked if it were not true that SA GIBBONS had directed him to entrap VVAW members into purchase of weapons from Cuban exiles and, further, that SA GIBBONS had directed him to tape record a telephone conversation with SCOTT CAMIL. FERNANDEZ denied these allegations. He was also asked if he had any information concerning the burglary of the office of an attorney for SCOTT CAMIL and burglary of the residence of a Florida VVAW officer. FERNANDEZ denied any such knowledge. He was also asked if he knew who Miami Police Department Sgt. RALPH AGUIRRE was working for prior to Miami Beach political conventions. He replied that AGUIRRE, to his knowledge, was working exclusively for the Miami Police Department.

He was told that his tape recording of a telephone conversation with CAMIL was illegal as was his wearing of a body recorder during a 1972 Hialeah, Florida meeting with VVAW members. FERNANDEZ replied that he felt recording of his own telephone conversation was not illegal and that he wore the body recorder at the direction of the Miami Police Department. He was warned that he could be prosecuted for an alleged assault and battery during the breakup of a demonstration in May, 1972, on the steps of the Capitol Rotunda, Washington, D. C., where the body of FBI Director J. EDGAR HOOVER lay in state.

Mr. Ellis states that John J. Wilson, the attorney for Harry R. Haldeman and John Ehrlichman, had a conversation with Mr. Meese in which Mr. Wilson implied that he had heard the Presidential tape recordings which are now missing.

Because Special Agent Lano has all of the necessary background facts and details concerning the overall case, as well as the details concerning the tapes, we request that the interview of Mr. Meese be conducted by Special Agent Lano.

RE BUREAU AIRTEL TO WFO, 1/4/74.

DAVID WENDELL MEESE, SENIOR VICE PRESIDENT, MERCANTILE
SAFE DEPOSIT AND TRUST COMPANY, BALTIMORE, INTERVIEWED TODAY
AND FURNISHED FOLLOWING INFORMATION.

IN LATE JULY 1973, HE HAD A DISCUSSION WITH DENNIS
SCHAUGHNESSY, A LAW STUDENT AND JUNIOR BANK OFFICIAL AT
THIS BANK. SCHAUGHNESSY TOLD MEESE THAT EARLIER IN THE MONTH,
HE HAD AN OFFICIAL MEETING WITH JOHN J. WILSON, THE ATTORNEY
FOR H. R. HALDEMAN AND JOHN EHRLICHMAN. WILSON WAS REPRESENTING
A BANK CLIENT. SOMETIME DURING THE MEETING,
SCHAUGHNESSY ASKED WILSON WHAT HIS FEELINGS WERE ABOUT PRESIDENT
NIXON'S INVOLVEMENT IN THE WATERGATE AFFAIR. SCHAUGHNESSY
SAID THAT WILSON REPRESENTED TO HIM THAT HE, WILSON, HAD
HEARD THE TAPES AND THAT THE TAPES WERE, AS THE PRESIDENT

SAID, A VINDICATION OF HIMSELF FROM ANY INVOLVEMENT IN THIS AFFAIR. WILSON SAID FURTHER THAT A PERSON MUST HAVE AN OPEN MIND WHEN LISTENING TO THE TAPES BECAUSE IF ONE HAS POLITICAL MOTIVATIONS, THEN ONE CAN OBTAIN A DIFFERENT INTERPRETATION OF THE TAPES.

MEESE DOES NOT HAVE TOTAL RECOLLECTION OF THE ALLEGED TAPE THAT WILSON SUPPOSEDLY HEARD, BUT FOR SOME REASON A "MARCH 20" DATE STICKS IN HIS MIND.

ON OR ABOUT NOVEMBER 9, 1973, MEESE TRAVELED FROM BALTIMORE TO BERMUDA TO ATTEND AN INVESTMENT MANAGEMENT CONFERENCE. AT THE AIRPORT PRIOR TO DEPARTURE, HE PURCHASED A MAGAZINE COPY OF THE SENATE WATERGATE HEARINGS AND A LOCAL NEWSPAPER. EN ROUTE TO BERMUDA, HE WAS READING BOTH ITEMS AND SUDDENLY THE CONVERSATION HE HAD WITH SCHAUGHNESSY IN JULY 1973 CAME BACK TO HIM. UPON READING THE WATERGATE MAGAZINE, HE WAS ABLE TO DECIPHER IN HIS OWN MIND THAT WILSON OR SCHAUGHNESSY MADE A MISTAKE WHEN EITHER ONE REPORTED THAT WILSON HAD LISTENED TO A MARCH 20 TAPE. MEESE FELT THAT

WILSON MUST HAVE MEANT A TAPE INVOLVING A CONVERSATION BETWEEN JOHN DEAN AND THE PRESIDENT. HE WAS NOT ABLE TO PLACE A SPECIFIC DATE AT THIS TIME FOR THE ALLEGED TAPE HEARD BY WILSON.

WHILE IN BERMUDA, HE MADE MENTION OF THE FACT TO SEVERAL PEOPLE THAT HE HAD INFORMATION THAT WILSON HEARD A TAPE WHICH WAS NOW MISSING. CHARLES ELLIS OF GREENWICH, CONNECTICUT, WHO ALSO ATTENDED THE MEETING, OVERHEARD MEESE'S STATEMENT AND URGED MEESE TO CONTACT JUDGE JOHN SIRICA IMMEDIATELY. MEESE SAID HE DID NOT COME FORWARD BECAUSE UPON HIS RETURN TO BALTIMORE IN MID-NOVEMBER 1973, HE LEARNED FROM REDISSCUSSING THE MATTER WITH SCHAUGHNESSY THAT WILSON DID NOT MENTION LISTENING TO THE "MARCH 20" TAPE. HOWEVER, SCHAUGHNESSY DID RE-EMPHASIZE TO MEESE THAT IN HIS OPINION WILSON DID LISTEN TO A TAPE BUT SCHAUGHNESSY WAS NOT CLEAR AS TO THE IDENTITY OF THAT TAPE.

SCHAUGHNESSY WAS NOT AVAILABLE TODAY FOR INTERVIEW. MEESE IS ATTEMPTING TO LOCATE SCHAUGHNESSY AND WILL HAVE HIM

AVAILABLE FOR INTERVIEW FOR THE BALIMORE DIVISION ON
FRIDAY, JANUARY 11, 1974. MEESE WILL CONTACT THE BALTIMORE

EXACT DATE OF THIS MEETING BY REVIEW OF ANY DOCUMENTS

THE CONVERSATIONS BETWEEN PRESIDENTIAL ASSISTANT JOHN DEAN AND PRESIDENT NIXON OR ANY OTHER PRESIDENTIAL TAPES. AT AN UNRECALLED MEETING, ONE OF THE BOARD MEMBERS SPECIFICALLY ASKED WILSON IF HE HAD HEARD THE TAPES BUT WILSON FAILED TO RESPOND TO THE QUESTION. WILSON DID STATE THAT HALDEMAN HAD HEARD THE TAPES, HOWEVER. IN GENERAL, WILSON MERELY DISCUSSED LEGAL TACTICS EMPLOYED BY HIMSELF IN THE DEFENSE OF HIS CLIENTS AND TALKED RELATIVE TO THE DIFFERENT PERSONALITIES INVOLVED IN THE WATERGATE INCIDENT AND IN THE SUBSEQUENT SENATE HEARINGS. AT ALL TIMES WILSON DID STATE HIS BELIEF THAT HIS CLIENTS, TOGETHER WITH THE PRESIDENT, WERE NOT INVOLVED IN ANY ILLEGAL ACTIVITIES RELATIVE TO THE BREAKIN AT WATERGATE OR THE ALLEGED COVERUP THEREAFTER. AT NO TIME DID WILSON FURNISH TO MEMBERS PRESENT AT THE BOARD MEETINGS ANY INFORMATION WHICH MIGHT BE CONSIDERED EVIDENTIARY OR PROPRIETARY.

RE: JAMES WALTER MC CORD, JR.;
ET AL
Burglary of Democratic National
Headquarters,
Washington, D.C.
June 17, 1972
INTERCEPTION OF COMMUNICATIONS

On January 11, 1974, DENNIS J. SHAUGHESY,
Assistant Vice President, Mercantile Safe Deposit and
Trust Company, Fourth Floor, 2 Hopkins Plaza, Baltimore,
Maryland, advised as follows:

SHAUGHESY serves on the Board of Directors
of C. E. Stevens Company, Baltimore, Maryland, together
with JOHN J. WILSON. WILSON is the attorney who
represented former Presidential Assistants H. R. HALDEMAN
and JOHN EHRLICKMAN when those two individuals appeared
before the Senate Committee investigating the break-in
of the Democratic National Headquarters in June of 1972.
SHAUGHESY first met WILSON at a board meeting approximately
four weeks before WILSON appeared before the committee in
June of 1973. During that meeting with WILSON and virtually
every subsequent meeting, the Watergate hearings were
discussed. The current board members would inquire of
WILSON as to his beliefs relative to the innocence of his
clients and the President, and WILSON would typically
answer with comments that were general in nature and at
no time did WILSON reveal any information which would be
considered confidential or proprietary. SHAUGHESY cannot
recall what comments WILSON may have made at any particular
board meeting, however, at one such meeting another
board member inquired of WILSON if he, himself, had
heard the Presidential tapes reflecting the conversations
between Presidential Legal Counsel JOHN DEAN and
President NIXON. To the best of SHAUGHESY's recollection,
WILSON failed to respond to the question, however, at
that meeting or some other meeting WILSON did state
that his client HALDEMAN had in fact reviewed the
Presidential tapes. For the most part, WILSON spoke
primarily of the personalities involved in the Watergate

incident and the Senate hearings and on most occasions defended the position of his clients and the position of the President. No information was divulged by WILSON other than that which was made public in the television coverage of the Watergate Committee hearings.

SHAUGHNESSY related the above information to DAVID MESSE, a Senior Vice President at Mercantile Safe Deposit and Trust Company, however, at no time did he tell MESSE that WILSON had related that he had reviewed the Presidential tapes. It was SHAUGHNESSY's opinion that MESSE simply elaborated on what SHAUGHNESSY had advised him or misconstrued what was related to him.

On January 11, 1974, GRANT W. SIWINSKI, Investment Officer, Mercantile Safe Deposit and Trust Company, Baltimore, Maryland advised as follows:

SIWINSKI is a member of the Board of Directors of C. E. Stevens Company, together with DENNIS J. SHAUGHNESSY and Attorney JOHN J. WILSON. SIWINSKI attended all those meetings attended by SHAUGHNESSY and stated that he, together with the other board members, would question WILSON as to the tactics employed by WILSON in defending his clients before the Senate Watergate Committee. WILSON never furnished any information other than that which was heard on television networks relative to the Watergate incident and at no time stated that he had reviewed the Presidential tapes depicting the conversations between Presidential Legal Counsel JOHN DEAN and President NIXON. The board members frequently kidded WILSON about his comment to Senator INOUE of Hawaii wherein he referred to INOUE as "that little Jap." In that most of the board members present were also attorneys, WILSON was frequently questioned by those present about tactics used by himself in the defense of his clients H. R. HALDEMAN and JOHN EHRICKMAN.

SUBJECT: JAMES WALTER MC CORD, JR., ET AL

(OO:WFO)

RE: INVESTIGATION OF MISSING WHITE HOUSE TAPES.

Enclosed for the Bureau are five documents turned over to WFO, by SPO, 1/11/74.

On January 7, 1973, Bureau personnel met with representatives to the Watergate Special Prosecution Force, in particular, those Attorneys assigned to the "Watergate" investigation. Information that this particular unit was going to request FBI assistance in the captioned investigation was discussed and it was recommended that in order to be completely familiar with the forthcoming requests, those Agents who were going to do the investigations, should review the recent Watergate Tape Hearings testimony and examine the testimony of the White House personnel for conflicts, and perhaps perjured statements.

The area of the forthcoming investigation would focus primarily with the recording system utilized during 1972 and 1973 in the White House and the Executive Office Building.

The investigation would encompass the tracing of purchase orders, receipts, notes and other supporting document to determine primarily if White House tapes now being furnished to the Chief Judge of the United States District Court in Washington, D.C., are in fact original tapes of conversations recorded at either location.

Other areas to be covered would be to locate and interview those White House and Secret Service personnel who were on the perimeter of the entire matter, that is, the secretaries and aides who may have a working knowledge about what their superiors were doing on certain days and whether or not these persons observed any unusual activity.

At the conclusion of the meeting, Bureau Agents were furnished a complete transcript of the Tape hearings along with certain key copies of exhibits. The Prosecutor's office also furnished a copy of their summary of the Hearings. WFO Agents have been reviewing this material which consists of over 5,000 pages of testimony and summaries.

On January 11, 1973, a second meeting was held with the Watergate staff and at that time, RICHARD BEN VENISTE notified the Bureau personnel as to what areas the FBI Agents should concentrate on first. He again stated he contemplated some type of Court hearing to take place on Tuesday, January 15, 1974.

If the matter of the "tapes" is referred to the Federal Grand Jury, BEN VENISTE advised he would then, in open court, notify the Judge and White House Counsel, that he is requesting the assistance of the FBI in the new investigation.

BEN VENISTE outlined several key areas and turned over a copy of his requests, which are the attached enclosures.

WFO will by the weekend, have completed reviewing the entire transcript and the summary. The following additional points were noted during a review of the material previously furnished and not reflected in BEN VENISTE's memo:

A. Areas of possible examination of records to determine dates of purchase of certain equipment by the Secret Service should be discussed and examined with the General Services Administration.

B. Former White House and SS secretaries who either substituted for permanent secretaries or in fact were former secretaries must be located and interviewed.

C. The exact date surrounding the actual set up the Electronics equipment has not been explained to the

WFO 139-166

satisfaction of the Court.

D. Service type personnel who perform maintenance on recording devices as well as typewriters in the White House must be identified.

E. The full identity of the outside electronics personnel who secretly worked with FRED BUZHARDT on re-creating the "buzz" on the crucial tape must be identified and interviewed.

F. Supporting documents, if they exists, must be compared with documents already turned over to the Court, must be examined for accuracy.

G. Former White House Aides who had knowledge of the system through contact with Secret Service personnel or the White House Communications Agency should be identified and interviewed.

H. Examination of the "Timer" and full details of its operation should be obtained from the Technician who designed it.

The above are some of the questions that came to the light while reviewing the testimony.

WFO is continuing to review the material with an expected completion date of Tuesday, January 14, 1974.

Efforts are being made through competent sources to identify those personnel, mentioned (not by name) in BFN VINISTE's memos, as well as those former employees who perhaps could assist in this investigation.

I represented the FBI at the Departmental briefing on the 1975 budget request afforded to members of the press on Saturday, 2-2-74. Attached is a copy of the news release on the Department's budget request; this release is not to be made until noon today, 2-4-74. References to the FBI appear on page 4 of the release and on page 2 of the tabulation attached thereto.

Glen E. Pommerening, Acting Assistant Attorney General for Administration, presided over the briefing which commenced promptly at 1:00 and terminated at 2:05 pm. Representatives from other components of the Department included Norm Carlson, Director, Bureau of Prisons; General Leonard F. Chapman, Jr., Commissioner, Immigration and Naturalization Service (INS); Dick Velde, Law Enforcement Assistance Administration (LEAA); Andy Tartaglino, Drug Enforcement Agency (DEA); Tom Kauper, Assistant Attorney General, Antitrust Division; Gary Baise, Legal Activities; and Bill Van Stavoren, the Department's Budget Officer.

Pommerening provided a brief summary of the Department's request and pointed out that detailed information would have to be obtained through the Appropriations Committees.

A number of questions were directed to Kauper relating to the Department's efforts in the consumer protection field and in connection with the energy crisis.

Susie McBee, of the Washington Post, asked for a run-down on the FBI's request. I provided her with a description of each of the items making our increase of \$43.3 million. I explained that the only increase in personnel would be the 50 clerks we will be getting for our field operations. In response to questions concerning the new building, I advised we expect to begin an order

move around 7-1-74 and this move is expected to occur over a period of several months. I also advised that the building cost is estimated at \$126 million and that funding for the building is provided through the General Services Administration.

Pommerening advised, in answer to a question, that the Department expects to occupy space in the Justice Building which will be vacated by the F

Miss McBee made the observation that some 50% of cases presented to the U. S. Attorney are declined and asked how many of these cases were declined because of the lack of personnel in the U. S. Attorneys' offices. She advised no figure of this type is available. Pommerening advised that additional personnel are being requested for the U. S. Attorneys' offices and that it may be necessary to submit a supplemental request for even more if a proposed bill which would provide for more judges is enacted.

Velde, LEAA, advised that only \$22 million of the \$886 million being requested for his agency is for administration. The balance is for programs in support of local and state law enforcement. He said part of the increase requested would be for audit and evaluation programs, including the establishment of an "Office of Inspector General."

Tartaglino, DEA, advised the request includes provision for an additional 116 positions overseas, principally in Latin America. These would include 35 agents and 81 clerks. This increase would bring to 409 the number of DEA personnel overseas, consisting of 293 agents and 116 clerks.

Carlson of Bureau of Prisons and General Chapman of INS were questioned briefly concerning the requests for their agencies; nothing of interest to the FBI occurred during these exchanges.

Orr Kelly of the Washington Star and Miss McBee asked for the FBI's cost to handle the Watergate investigation. I advised them that I did not know if this information was readily available and requested them to contact the Bureau sometime this week concerning their question.

We have received inquiries from time to time from members of the press for the cost of the FBI's efforts in the Watergate investigation and related matters. In the past we have responded to the effect that these costs have not been compiled and it is being recommended that we furnish this response to Orr Kelly and Miss McBee when and if they should call in.

Memorandum Walsh to Jenkins
Re: News Briefing on Budget at
Department of Justice on 2-2-74

Looking ahead to Mr. Kelley's scheduled appearance before the House Appropriations Subcommittee on 3-6-74 it would be most desirable for him to have available some cost figures on Watergate through a reasonably recent date such as through 2-1-74.

While complete data concerning time spent on Watergate and related matters are not available at this time, the Accounting and Fraud Section, General Investigative Division, has some data on agent and clerk data however, this information is incomplete since it covers only the periods 6/72 through 7/73 and 11/73 through the present. The field offices are presently required to furnish this information on a monthly basis in a nitel which is sent in on the first working day of the following month. It is being recommended that the Accounting and Fraud Section obtain the data for the entire period so that it will be available for presentation to Mr. Kelley by approximately 2-20-74.

In response to a question from Miss McBee, I advised that the FBI conducts investigations of certain Departmental applicants, primarily applicants for professional positions and the results of these investigations are provided to the Department for its consideration in making clearances. I told her the FBI does not issue any clearances based on its investigations except FBI personnel.

The references to the FBI in the attached press release are to the effect that our increase for the 1975 fiscal year amounts to \$43.8 million. Actually, the increase is only \$43.3 million, the difference being a transfer of \$.5 million which the FBI is being requested to make to GSA during the 1974 fiscal year. The Department in past years invariably has excluded such transfer in computing our budget increases. This is considered to be of no significance insofar as the press release is concerned.

The Washington Post on Sunday, 2-3-74, contained an article by Miss McBee on the alleged opposition of the FBI to the Department's privacy bill. Miss McBee made no reference whatsoever to this point during the briefing and it was not brought up by anyone else during the session.

RECOMMENDATIONS:

(1) That Orr Kelly and Miss McBee, if they call in, be advised that the costs of the FBI's investigation in the Watergate and related matters have not been compiled.

On Saturday afternoon, 2-9-74, I received a telephone call at home from Mr. Stephen H. Sachs of the law firm Frank, Bernstein, Conaway and Goldman in Baltimore, Maryland, telephone 547-5500. Mr. Sachs identified himself as an attorney for former Acting Director L. Patrick Gray, III.

Mr. Sachs advised that Mr. Gray was with him and they were attempting to locate Mr. Felt. They had been in touch with his residence where Mr. Larry Martin had advised them that Mr. Felt's brother-in-law had passed away in Texas and that Mr. Felt was with his sister but Mr. Martin did not know the sister's name. Mr. Sachs inquired as to whether I had the name, address and/or telephone number for Mr. Felt's sister in Texas. He stated Mr. Gray wanted to talk to Mr. Felt about a memorandum he had written to Mr. Gray which Mr. Gray had to discuss with a member of the Jaworski staff on Sunday, 2-10-74.

I advised Mr. Sachs that I vaguely remembered the name of Mr. Felt's brother-in-law as Karl Hoefle. I also advised him that I did not know the address other than Dallas, Texas, and that I had no recollection of a telephone number.

Mr. Sachs subsequently called back and advised that Dallas information had no listing under this name and asked if I had remembered anything else and I advised him that I had not.

Submitted for information.

Re Bureau telephone call to Miami, 1/25/74.

The following information is set forth for the Bureau's information concerning MANUEL LONDER, also known as MANUEL LANDER.

In referenced telephone call Miami was advised that LONDER has been contacting the FBIHQ, attempting to speak with Director CLARENCE M. KELLEY.

A review of Miami files indicates that LONDER first contacted the Miami Office during the last week of April, 1973 requesting to speak with the Agent in Charge of the Watergate investigation. He was put in contact with SA WILLIAM F. GUILFOILE, Case Agent. LONDER demanded that SA GUILFOILE immediately contact him at the Gibson Hotel, a low class Miami hotel. He stated he had valuable information concerning the Watergate matter.

[REDACTED] LONDER telephonically recontacted SA GUILFOILE on two more occasions during the last week of April and was advised that if he had information concerning Watergate he should come to the FBI Office. [REDACTED] **b7c**

On 5/3/73, he appeared at the Miami Office demanding to speak with SAC KENNETH W. WHITTAKER and would not speak with SA GUILFOILE. He did not contact SAC WHITTAKER at that time, however, later in the day he telephonically contacted him and advised SAC WHITTAKER that he had contacted FBIHQ and was told that the SAC had been instructed by Washington to receive him royally and to give him unlimited funds. He would not furnish his correct name or address and stated the SA knew damn well how to spell his name. He stated the information he had given was all given to SA GUILFOILE and it was basically concerning foreign policy. He stated that President NIXON was following his foreign policy outline and it was allright inasmuch as President NIXON was "a great guy."

When told that we had no money for him, he became upset and angry and stated he was contacting Acting Director RUCKELSHAUS. [REDACTED] **B7D**
[REDACTED] **B7C**

MM 139-328

On 9/18/73, this matter was discussed with AUSA LLOYD BATES, who stated that although a violation of Federal Statutes did exist he declined prosecution [REDACTED] B7C

A teletype was sent to the Bureau in this matter on 7/23/73, in which it was stated that LONDER had been interviewed by the Miami Office in regard to the Watergate case but furnished no information of substance. It is noted that LONDER had been interviewed on several occasions telephonically by SA GUILFOILE, but furnished no information of value concerning Watergate. B7C

In view of the fact that [REDACTED] this information was not reduced to an FD-302, nor included in any reports concerning the McCORD investigation. B7C

Subsequently, LONDER recontacted SA WILLIAM GUILFOILE on 12/10/73, at which time he engaged in a rambling conversation concerning the fact that he had been advised that FBI records indicated he received a dishonorable discharge from the U. S. Army. He stated that he had proof that he received an honorable discharge from the U. S. Army. LONDER recontacted the Miami Office on 12/12/73, requesting that SA GUILFOILE rectify the situation involving the FBI records indicating that he had received a dishonorable discharge when, in fact, he had appealed his dishonorable discharge and the matter had been readjudicated and he had been given an honorable discharge. He demanded to know if information he furnished to SAC WHITTAKER concerning Watergate had been forwarded to Washington. At this point he was strongly reminded by SA GUILFOILE that he had only one telephonic conversation with SAC WHITTAKER and had furnished no information of material value. He then stated that information coming to light in the Watergate investigation was due to his own activities and that Operation Candor of President NIXON was a takeoff on his name with one letter changed (LONDOR to CANDOR). He stated this was all his idea.

MM 139-328

Later, on 12/12/73, he recontacted SA GUILFOILE and advised him that he was taking this matter over SA GUILFOILE's head.

Later, on 12/12/73, he contacted Supervisor ROBERT WILSON and in an emotional state complained about FBI persecution of him by indicating that he had received a dishonorable discharge. Attempts by Supervisor WILSON to explain the situation were to no avail and he stated he was taking the matter to higher authorities.

It is noted that in addition to LONDER's assertion that he has been responsible for Operation Candor of President NIXON, he has made assertions that he is responsible for the foreign policy involving the Strategic Arms Limitations Treaty (SALT).

It is the opinion of all Agents who have contacted LONDER

Q105

Result of examination:

The typewriting on specimen Q104 was determined to have been prepared on an IBM Executive typewriter equipped with proportionally spaced Modern style of type. This style of type has been in use since May 10, 1966.

The typewriting on specimen Q105 was determined to have been prepared on a Royal typewriter equipped with Standard elite type, spaced twelve letters to the inch. This style of type has been in use since June, 1950. Since this style of type has been available for use on all models of Royal typewriters, the model of typewriter employed in the preparation of specimen Q105 was not determined.

The dates of manufacture of the typewriters employed in the preparation of specimens Q104 and Q105 were not determined.

The paper of specimen Q104 bears a government watermark showing that it was manufactured in 1971. The paper of specimen Q105 contains the watermark "STRATHMORE PARCHMENT 100% COTTON MADE IN USA," showing that it was manufactured by the Strathmore Paper Company, West Springfield, Massachusetts. However, the date of manufacture of this paper was not determined from its physical features.

The dates of preparation of the memos Q104 and Q105 were not ascertained from the typewriting or from the physical features of the paper.

DAVID WENDELL MEESE, Senior Vice President, Mercantile Safe Deposit and Trust Company, Number 2, Hopkins Plaza, Baltimore, Maryland, was interviewed at his place of employment concerning a conversation he had with Mr. JOHN J. WILSON, an attorney for JOHN EHRLICHMAN.

Prior to the interview, Mr. MEESE was advised that the interview itself was being conducted at the request of the Office of the Watergate Special Prosecutor.

MEESE advised that in late July, 1973, he had a discussion with DENNIS SCHAUGHNSSY, then a law student and junior bank official of this bank. SCHAUGHNSSY is still employed at this location, however, he was not in his office today. In late July, 1973, SCHAUGHNSSY had a business meeting with JOHN J. WILSON. WILSON, at that time, was representing a bank client and during some part of the meeting, SCHAUGHNSSY asked WILSON what his feelings were about President NIXON's involvement in the Watergate affair. SCHAUGHNSSY said that WILSON represented to him that he, WILSON, had heard "the tapes" and that the tapes were as the President said, a vindication of himself (President NIXON) from any involvement in this (Watergate) affair. WILSON said further that a person must have an open mind when listening to the tapes because if one has certain political motivations, then one can obtain a different interpretation of the tapes. MEESE does not have total recollection of the alleged tape that WILSON supposedly heard, but for some reason, the tape "March 20" sticks out in his mind.

On or about November 9, 1973, MEESE traveled from Baltimore to Bermuda to attend an Investment Management Conference. At the airport prior to departure, he purchased a magazine copy of the Senate Select Committee on Campaign Practices book of the Watergate Hearings and a copy of the local newspaper. En route to Bermuda, he was reading both items and suddenly the conversation he had with SCHAUGHNSSY

Interviewed on 1/10/74 at Washington, D.C. File # WFO 139-166

by SA ANGELO J. LANO:sld Date dictated 1/11/74

in July of 1973, came back to him. Upon reading the Water-gate magazine, he was able to decipher in his own mind that WILSON or SCHAUGHNSSY must have made a mistake when either one reported that WILSON had listened to a "March 20 tape". MEESE felt that WILSON must have meant a tape involving a conversation between JOHN DEAN and the President because this was the area of recollection that he had; that SCHAUGHNSSY had referred to WILSON possibly having reviewed a NIXON-DEAN tape. He was not able to place a specific date at this time for the alleged tape heard by WILSON.

While in Bermuda, he made mention of the fact to several people that he had information that WILSON had heard a tape which was now missing. CHARLES ELLIS of Greenwich, Connecticut, who also attended the meeting, overheard this statement and urged MEESE to contact Judge JOHN SIRICA immediately. MEESE said he did not come forward because upon his return to Baltimore in mid-1973, he learned from rediscussing the matter with SCHAUGHNSSY that WILSON did not mention listening to the "March 20 tape". However, SCHAUGHNSSY did re-emphasize to MEESE that in his opinion, WILSON did listen to a tape but SCHAUGHNSSY was not clear as to the identity of that particular tape.

MEESE advised that as soon as he could locate SCHAUGHNSSY he would contact the Federal Bureau of Investigation.

Attached is a copy of the 13 count criminal indictment returned 3/1/74 by the Federal grand jury (FGJ) which has been sitting continuously since June, 1972, looking into the burglary of the Democratic National Committee Headquarters (DNCH), including the cover-up involved subsequent to the arrest of the five individuals on 6/17/72 at the Watergate Office Building. The indictment charges John Mitchell; H. R. Haldeman; John Ehrlichman; Charles Colson; Robert Mardian; Kenneth Parkinson; and Gordon Strachan with a number of counts of violation of Conspiracy, S371, T18, USC; False Statement in violation of S1001, T18, USC; Obstruction of Justice in violation of S1503, T18, USC; Perjury in violation of S1621, T18, USC; and False Declaration before a FGJ in violation of S1623, T18, USC. The 13 counts charge the defendants as follows:

COUNT ONE: Mitchell, Haldeman, Ehrlichman, Colson, Mardian, Parkinson and Strachan are charged with Conspiracy (S371, T18, USC) in connection with the cover-up, including the payments of sums of money for the benefit of Hunt and other defendants. Of interest in this lengthy count, which begins on page 3 of the indictment and continues to page 15, is item (h) on page 7 which charges that in furtherance of the conspiracy, the conspirators would obtain information from the FBI and the Department of Justice concerning the progress of the investigation being conducted.

COUNT TWO: Mitchell, Haldeman, Ehrlichman, Colson, Parkinson and Strachan are charged with Obstruction of Justice (S1503, T18, USC) and Aiding and Abetting (S2, T18, USC) in connection with the cash payments and offers of other benefits for the original defendants and in connection with the cover-up.

COUNT THREE: Mitchell is charged with making a false statement to a Bureau Agent on 7/5/72 when, during an interview relative to the break-in, Mitchell stated he had no knowledge of the break-in other than what he had read in the newspapers.

RE: JAMES WALTER MC CORD, JR.

COUNT FOUR: Mitchell is charged with making False Declaration to the FGJ (S1623, T18, USC) in connection with his testimony on 9/14/72 before the original Watergate grand jury. At that time Mitchell denied any knowledge about a program of the Committee to Reelect the President to gather intelligence concerning Democratic candidates and he denied any knowledge of Liddy's activities with respect to this intelligence gathering effort.

COUNT FIVE: Mitchell is charged with False Declaration before a FGJ (S1623, T18, USC) in connection with his testimony on 4/20/73 before the FGJ at which time he denied that Fred LaRue or Robert Mardian told him that Liddy had confessed to them that he was involved in the Watergate break-in.

COUNT SIX: Mitchell is charged with Perjury (S1621, T18, USC) in connection with his testimony on 7/10 and 7/11/73 before the Ervin Committee at which time he denied that he knew about the Gemstone files and denied that there was any discussion of destruction of these documents in a 6/19/72 meeting held at his apartment in Washington, D. C., which was attended by LaRue, Mardian, Dean, Jeb Magruder and Mitchell.

COUNT SEVEN: Haldeman is charged with Perjury (S1621, T18, USC) in connection with his testimony on 7/30/73 before the Ervin Committee at which time he said that prior to March, 1973, no one to his knowledge was aware that the \$350,000 cash fund (which had been maintained at the White House by Haldeman) was to be used for "hush money." (This money was maintained by Haldeman at the White House ostensibly for campaign expenses but was not used. About late November, on Haldeman's instructions Strachan delivered the money in a suitcase to Fred LaRue who used it as payoffs for the benefit of the original Watergate defendants.)

COUNT EIGHT: Haldeman is charged with Perjury (S1621, T18, USC) in connection with his testimony on 7/30 and 7/31/73 before the Ervin Committee which involved the famous 3/21/73 meeting at the White House attended by John Dean, Haldeman and the President. This is the meeting at which Dean reported that Hunt had demanded a \$120,000 payoff or he would tell about his activities as a member of the plumbers. During the discussion Dean said that he believed payoffs would probably involve a million dollars over a period of years and according to Haldeman's testimony, the President said "There is no problem raising a million dollars, we can do that, but it would be wrong." This count of the indictment charges Haldeman with committing Perjury

The Grand Jury further charges:

1. On or about July 10 and July 11, 1973, in the District of Columbia, JOHN N. MITCHELL, the DEFENDANT, having duly taken an oath before a competent tribunal, to wit, the Select Committee on Presidential Campaign Activities, a duly created and authorized Committee of the United States Senate conducting official hearings and inquiring into a matter in which a law of the United States authorizes an oath to be administered, that he would testify truly, did willfully, knowingly and contrary to such oath state material matters hereinafter set forth which he did not believe to be true.

2. At the time and place alleged, the said Committee was conducting an investigation and study, pursuant to the provisions of Senate Resolution 60 adopted by the United States Senate on February 7, 1973, of the extent, if any, to which illegal, improper or unethical activities were engaged in by any persons, acting either individually or in combination with others, in the presidential election of 1972, or in any related campaign or canvass conducted by or in behalf of any person seeking nomination or election as the candidate of any political party for the office of President of the United States in such election, for the purpose of determining whether in its judgment any occurrences which might be revealed by the investigation and study indicated the necessity or desirability of the enactment of new legislation to safeguard the electoral process by which the President of the United States is chosen.

3. It was material to the said investigation and study that the said Committee ascertain the identity and motives of the individual or individuals who were responsible for, participated in, and had knowledge of efforts to conceal, and to cause to be concealed information relating to (a) unlawful entries into, and electronic surveillance of, the offices of the Democratic National Committee located in the Watergate office building in Washington, D. C., and (b) related activities, through such means as the destruction of documents and other evidence of said facts.

4. At the times and place alleged, JOHN N. MITCHELL, the DEFENDANT, appearing as a witness under oath before the said Committee, did willfully and knowingly state with respect to the material matters alleged in paragraph 3 as follows:

July 10, 1973:

Mr. Dash. Was there a meeting in your apartment on the evening that you arrived in Washington on June 19, attended by Mr. LaRue, Mr. Mardian, Mr. Dean, Mr. Magruder --

Mr. Mitchell. Magruder and myself, that is correct.

Mr. Dash. Do you recall the purpose of that meeting, the discussion that took place there?

Mr. Mitchell. I recall that we had been traveling all day and, of course, we had very little information about what the current status was of the entry of the Democratic National Committee, and we met at the apartment to discuss it. They were, of course, clamoring for a response from the Committee because of Mr. McCord's involvement, etc., etc., and we had quite a general discussion of the subject matter.

Mr. Dash. Do you recall any discussion of the so-called either Gemstone files or wire-tapping files that you had in your possession?

Mr. Mitchell. No, I had not heard of the Gemstone files as of that meeting and, as of that date, I had not heard that anybody there at that particular meeting knew of the wire-tapping aspects of that or had any connection with it.

July 11, 1973:

Senator Weicker. Now, on June 19, Mr. Magruder has testified and Mr. LaRue has stated that Mr. Mitchell, that you instructed Magruder to destroy the Gemstone files, to in fact, have a bonfire with them.

* * *

Senator Weicker. Did you suggest that any documents be destroyed, not necessarily Gemstone.

Mr. Mitchell. To the best of my recollection.

Senator Weicker. At the June 19 meeting at your apartment?

Did you suggest that any documents be destroyed, not necessarily Gemstone or not necessarily documents that relate to electronic surveillance?

Mr. Mitchell. To the best of my recollection when I was there there was no such discussion of the destruction of any documents. That was not the type of a meeting we were having.

5. The underscored portions of the declarations quoted in paragraph 4, made by JOHN N. MITCHELL, the DEFENDANT, were material to the said investigation and study and, as he then and there well knew, were false.

(Title 18, United States Code, Section 1621.)

COUNT SEVEN

The Grand Jury further charges:

1. On or about July 30, 1973, in the District of Columbia, HARRY R. HALDEMAN, the DEFENDANT, having duly taken an oath before a competent tribunal, to wit, the Select Committee on Presidential Campaign Activities, a duly created and authorized Committee of the United States Senate conducting official hearings and inquiring into a matter in which a law of the United States authorizes an oath to be administered, that he would testify truly, did willfully, knowingly and contrary to such oath state material matters hereinafter set forth which he did not believe to be true.

2. At the time and place alleged, the said Committee was conducting an investigation and study, pursuant to the provisions of Senate Resolution 60 adopted by the United States Senate on February 7, 1973, of the extent, if any, to which illegal, improper or unethical activities were engaged in by any persons, acting either individually or in combination with others, in the presidential election of 1972, or in any related campaign or canvass conducted by or in behalf of any person seeking nomination or election as the candidate of any political party for the office of President of the United States in such election, for the purpose of determining whether in its judgment any occurrences which might be revealed by the investigation and study indicated the necessity or desirability of the enactment of new legislation to safeguard the electoral process by which the President of the United States is chosen.

3. It was material to the said investigation and study that the said Committee ascertain the identity and motives of the individual or individuals who were responsible for, participated in, and had knowledge of efforts to conceal, and to cause to be concealed, information relating to (a) unlawful entries into, and electronic surveillance of, the offices of the Democratic National Committee located in the Watergate office building in Washington, D. C. and (b) related activities, through such means as the payment and promise of payment of money and other things of value to participants in these activities and to their families.

4. At the time and place alleged, HARRY R. HALDEMAN, the DEFENDANT, appearing as a witness under oath before the said Committee, did willfully and knowingly state with respect to the material matters alleged in paragraph 3 as follows:

I was told several times, starting in the summer of 1972, by John Dean and possibly also by John Mitchell that there was a need by the committee for funds to help take care of the legal fees and family support of the Watergate defendants. The committee apparently felt obliged to do this.

* * *

Since all information regarding the defense funds was given to me by John Dean, the counsel to the President, and possibly by John Mitchell, and since the arrangements for Kalmbach's collecting funds and for transferring the \$350,000 cash fund were made by John Dean, and since John Dean never stated at the time that the funds would be used for any other than legal legal [sic] and proper purposes, I had no reason to question the propriety or legality of the process of delivering the \$350,000 to the committee via LaRue or of having Kalmbach raise funds.

I have no personal knowledge of what was done with the funds raised by Kalmbach or with the \$350,000 that was delivered by Strachan to LaRue.

It would appear that, at the White House at least, John Dean was the only one who knew that the funds were for "hush money", if, in fact, that is what they were for. The rest of us relied on Dean and all thought that what was being done was legal and proper. No one, to my knowledge, was aware that these funds involved either blackmail or "hush money" until this suggestion was raised in March of 1973.

5.- The underscored portion of the statements quoted in paragraph 4, made by HARRY R. HALDEMAN, the DEFENDANT, was material to the said investigation and study and, as he then and there well knew, was false.

(Title 18, United States Code, Section 1621.)

The Grand Jury further charges:

4. At the times and place alleged, HARRY R. HALDEMAN, the DEFENDANT, appearing as a witness under oath before the said Committee, did willfully and knowingly state with respect to the material matters alleged in paragraph 3 as follows:-

July 30, 1973:

I was present for the final 40 minutes of the President's meeting with John Dean on the morning of March 21. While [sic] I was not present for the first hour of the meeting, I did listen to the tape of the entire meeting.

Following is the substance of that meeting to the best of my recollection.

* * *

He[Dean] also reported on a current Hunt blackmail threat. He said Hunt was demanding \$120,000 or else he would tell about the seamy things he had done for Ehrlichman. The President pursued this in considerable detail, obviously trying to smoke out what was really going on. He led Dean on regarding the process and what he would recommend doing. He asked such things as -- "Well, this is the thing you would recommend? we ought to do this? is that

right?" and he asked where the money would come from? how it would be delivered? and so on. He asked how much money would be involved over the years and Dean said "probably a million dollars -- but the problem is that it is hard to raise." The President said "there is no problem in raising a million dollars, we can do that, but it would be wrong."

July 31, 1973:

Senator Baker. . . . What I want to point out to you is that one statement in your addendum seems to me to be of extraordinary importance and I want to test the accuracy of your recollection and the quality of your note-taking from those tapes, and I am referring to the last, next to the last, no, the third from the last sentence on page 2, "The President said there is no problem in raising a million dollars. We can do that but it would be wrong."

Now, if the period were to follow after "We can do that", it would be a most damning statement. If, in fact, the tapes clearly show he said "but it would be wrong," it is an entirely different context. Now, how sure are you, Mr. Haldeman, that those tapes, in fact say that?

Mr. Haldeman. I am absolutely positive that the tapes --

Senator Baker. Did you hear it with your own voice?

Mr. Haldeman. With my own ears, yes.

Senator Baker. I mean with your own ears. Was there any distortion in the quality of the tape in that respect?

Mr. Haldeman. No, I do not believe so.

* * *

Senator Ervin. Then the tape said that the President said that there was no problem raising a million dollars.

Mr. Haldeman. Well, I should put that the way it really came, Mr. Chairman, which was that Dean said when the President said how much money are you talking about here and Dean said over a period of years probably a million dollars, but it would be very hard -- it is very hard to raise that money. And the President said

it is not hard to raise it. We can raise a million dollars. And then got into the question of, in the one case before I came into the meeting making a statement that it would be wrong and in other exploration of this getting into the -- trying to find out what Dean was talking about in terms of a million dollars.

Senator Ervin. Can you point -- are you familiar with the testimony Dean gave about his conversations on the 13th and the 21st of March with the President?

Mr. Haldeman. I am generally familiar with it, yes, sir.

Senator Ervin. Well, this tape corroborates virtually everything he said except that he said that the President could be -- that the President said there would be no difficulty about raising the money and you say the only difference in the tape is that the President also added that but that would be wrong.

Mr. Haldeman. And there was considerable other discussion about what you do, what Dean would recommend, what should be done, how -- what this process is and this sort of thing. It was a very -- there was considerable exploration in the area.

5. The underscored portions of the statements quoted in paragraph 4, made by HARRY R. HALDEMAN, the DEFENDANT, were material to the said investigation and study and, as he then and there well knew, were false.

(Title 18, United States Code, Section 1621.)

COUNT NINE

The Grand Jury further charges:

1. On or about August 1, 1973, in the District of Columbia, HARRY R. HALDEMAN, the DEFENDANT, having duly taken an oath before a competent tribunal, to wit, the Select Committee on Presidential Campaign Activities, a duly created and authorized Committee of the United States Senate conducting official hearings and inquiring into a matter in which a law of the United States authorizes an oath to be administered, that he would testify truly, did willfully, knowingly and contrary to such oath state material matters hereinafter set forth which he did not believe to be true.

2. At the time and place alleged, the said Committee was conducting an investigation and study, pursuant to the provisions of Senate Resolution 60 adopted by the United States Senate on February 7, 1973, of the extent, if any, to which illegal, improper or unethical activities were engaged in by any persons, acting either individually or in combination with others, in the presidential election of 1972, or in any related campaign or canvass conducted by or in behalf of any person seeking nomination or election as the candidate of any political party for the office of President of the United States in such election, for the purpose of determining whether in its judgment any occurrences which might be revealed by the investigation and study indicated the necessity or desirability of the enactment of new legislation to safeguard the electoral process by which the President of the United States is chosen.

3. It was material to the said investigation and study that the said Committee ascertain the identity, and motives of the individual or individuals who were responsible for, participated in, and had knowledge of efforts to conceal, and to cause to be concealed, information relating to (a) unlawful entries into, and electronic surveillance of, the offices of the Democratic National Committee located in the Watergate office building in Washington, D. C., and (b) related activities, through such means as the commission of perjury and subornation of perjury.

4. At the time and place alleged, HARRY R. HALDEMAN, the DEFENDANT, appearing as a witness under oath before the said Committee, did willfully and knowingly state with respect to the material matters alleged in paragraph 3 as follows:

Senator Gurney. Let's turn to the March 21 meeting.

* * *

Senator Gurney. Do you recall any discussion by Dean about Magruder's false testimony before the Grand Jury?

Mr. Haldeman. There was a reference to his feeling that Magruder had known about the Watergate planning and break-in ahead of it, in other words, that he was aware of what had gone on at Watergate. I don't believe there was any reference to Magruder committing perjury.

5. The underscored portion of the statements quoted in paragraph 4, made by HARRY R. HALDEMAN, the DEFENDANT, was material to the said investigation and study and, as he then and there well knew, was false.

(Title 18, United States Code, Section 1621.)

EHRLICHMAN, the DEFENDANT, did knowingly and willfully make false, fictitious and fraudulent statements and representations to agents of the Federal Bureau of Investigation, Department of Justice, which Department was then conducting an investigation into a matter within its jurisdiction, namely, whether violations of 18 U.S.C. 371, 2511, and 22 D.C. Code 1801(b), and of other statutes of the United States and the District of Columbia, had been committed in the District of Columbia and elsewhere in connection with the break-in at the Democratic National Committee Headquarters at the Watergate office building on June 17, 1972, and to identify the individual or individuals who had committed, caused the commission of, and conspired to commit such violations, in that he stated that he had neither received nor was he in possession of any information relative to the break-in at the Democratic National Committee Headquarters on June 17, 1972, other than what he had read in the way of newspaper accounts of that incident.

COUNT ELEVEN

The Grand Jury further charges:

1. On or about May 3, and May 9, 1973, in the District of Columbia, JOHN D. EHRLICHMAN, the DEFENDANT, having duly taken an oath that he would testify truthfully, and while testifying in a proceeding before the June, 1972 Grand Jury, a Grand Jury of the United States, duly empanelled and sworn in the United States District Court for the District of Columbia, did knowingly make false material declarations as hereinafter set forth.
2. At the times and place alleged, the June, 1972 Grand Jury of the United States District Court for the District of Columbia was conducting an investigation in conjunction with the United States Attorney's Office for the District of Columbia and the Federal Bureau of Investigation to determine whether violations of Title 18, United States Code, Sections 371, 2511, and 22 D.C. Code 1801(b), and of other statutes of the United States and of the District of Columbia had been committed in the District of Columbia and elsewhere, and to identify the individual or individuals who had committed, caused the commission of, and conspired to commit such violations.
3. It was material to the said investigation that the said Grand Jury ascertain the identity and motives of the individual or individuals who were responsible for, participated in, and had knowledge of efforts to conceal, and to cause to be concealed, information relating to unlawful entries into, and electronic surveillance of, the offices of the Democratic National Committee located in the Watergate office building in Washington, D.C., and related activities.

4. At the times and place alleged, JOHN D. EHRLICHMAN, the DEFENDANT, appearing as a witness under oath at a proceeding before the said Grand Jury, did knowingly declare with respect to the material matters alleged in paragraph 3 as follows:

May 3, 1973:

Q. Mr. Ehrlichman, going back to that first week following the Watergate arrest, did you have any conversations besides those on Monday with Mr. Dean?

A. Yes, I did.

Q. Will you relate those to the ladies and gentlemen of the Grand Jury?

A. Well, I don't recall the content specifically of most of them. I know that I saw Mr. Dean because my log shows that he was in my office. I think it was four times that week, once in a large meeting -- excuse me, more than four times.

He was in alone twice on Monday, and in the large meeting that I have described. He was in twice alone on other occasions, and then he was in a meeting that I had with Pat Gray -- well, that was the following week. It was a span of seven days, within the span of seven days.

* * *

Q. All right. Now at any of those meetings with Mr. Dean, was the subject matter brought up of a person by the name of Gordon Liddy?

A. I can't say specifically one way or the other.

Q. So you can neither confirm nor deny that anything with respect to Mr. Liddy was brought up at any of those meetings, is that correct, sir?

A. I don't recall whether Mr. Liddy was being mentioned in the press and would have been the subject of an inquiry by somebody from the outside. If he would have, then it is entirely probable that his name came up.

Q. All right. Let's assume for a moment that Mr. Liddy's name did not in that first week arise in the press. Can you think of any other context in which his name came up, excluding any possible press problem with respect to the name of Liddy?

A. I have no present recollection of that having happened.

Q. So you can neither confirm nor deny whether or not the name of Gordon Liddy came up in the course of any conversation you had with Mr. Dean during that week, or for that matter with anyone else?

A. That's right, unless I had some specific event to focus on. Just to take those meetings in the abstract, I can't say that I have any recollection of that having happened in any of those.

Q. All right. Let's take the example of did anyone advise you, directly or indirectly, that Mr. Liddy was implicated or involved in the Watergate affair?

A. Well, they did at some time, and I don't know whether it was during that week or not.

Q. To the best of your recollection, when was that done, sir?

A. I'm sorry but I just don't remember.

Q. Well, who was it that advised you of that?

A. I think it was Mr. Dean, but I don't remember when he did it.

Q. Would it have been within a month of the investigation? Within three months of the investigation?

A. I'm sorry but I just don't know.

Q. You can't even say then whether it was within a week, a month, or three months? Is that correct, sir?

A. Well, I think it was fairly early on, but to say it was within a week or two weeks or something, I just don't know.

* * *

Q. Now Mr. Dean advised you that Mr. Liddy was implicated. Did you advise the United States Attorney or the Attorney General, or any other law enforcement agency immediately or at any time after?

A. No. I don't think it was private information at the time I heard it.

Q. Well, did you inquire to find out whether or not it was private information?

A. To the best of my recollection, when I first heard it it was not in the nature of exclusively known to Dean, or anything of that kind.

Q. Well, was it in the newspapers that he was involved?

A. I'm sorry. I just don't remember. It probably was, but I just don't recall.

Q. You mean the first time you found out from Mr. Dean that Liddy was involved, Mr. Ehrlichman, it was in the same newspaper or the newspapers that you yourself could have read?

A. No, no. I am telling you that I cannot remember the relationship of time, but my impression is that he was not giving me special information that was not available to other people.

A lot of Mr. Dean's information came out of the Justice Department apparently, and so I think the impression I had was whatever he was giving us by way of information was known to a number of other people. That's what I meant by special information.

May 9, 1973:

Q. When did you first become aware that Mr. Liddy was involved?

A. I don't know.

Q. You don't know?

A. No, sir.

Q. Did you ever become aware of it?

A. Well, obviously I did, but I don't know when that was.

Q. Was it in June?

A. I say I don't know.

Q. Who told you?

A. I don't know.

Q. How did you learn it?

A. I don't recall.

5. The underscored portions of the declarations quoted in paragraph 4, made by JOHN D. EHRLICHMAN, the DEFENDANT, were material to the said investigation and, as he then and there well knew, were false.

(Title 18, United States Code, Section 1623.)

COUNT TWELVE

The Grand Jury further charges:

1. On or about May 3 and May 9, 1973, in the District of Columbia, JOHN D. EHRLICHMAN, the DEFENDANT, having duly taken an oath that he would testify truthfully, and while testifying in a proceeding before the June, 1972 Grand Jury, a Grand Jury of the United States, duly empanelled and sworn in the United States District Court for the District of Columbia, did knowingly make false material declarations as hereinafter set forth.

2. At the time and place alleged, the June, 1972 Grand Jury of the United States District Court for the District of Columbia was conducting an investigation in conjunction with the United States Attorney's Office for the District of Columbia and the Federal Bureau of Investigation to determine whether violations of Title 18, United States Code, Sections 371, 2511, and 22 D.C. Code 1801(b), and other statutes of the United States and of the District of Columbia had been committed in the District of Columbia and elsewhere, and to identify the individual or individuals who had committed, caused the commission of, and conspired to commit such violations.

3. It was material to the said investigation that the said Grand Jury ascertain the identity and motives of the individual or individuals who were responsible for, participated in, and had knowledge of efforts to conceal, and to cause to be concealed, information relating to unlawful entries into, and electronic surveillance of, the offices of

the Democratic National Committee located in the Watergate office building in Washington, D. C., and related activities.

4. At the times and place alleged, JOHN D. EHRLICHMAN, the DEFENDANT, appearing as a witness under oath at a proceeding before the said Grand Jury, did knowingly declare with respect to the material matters alleged in paragraph 3 as follows:

May 3, 1973:

Q. Now with respect to that, what further information did you receive that really related to this fundraising for the defendants and the defense counsel and their families?

A. I had a call from Mr. Kalmbach within four or five days to verify whether or not I had in fact talked to John Dean. I said that I had.

Q. This was a telephone call, sir?

A. I think it was. It may have been during a visit. I'm not sure. I used to see Mr. Kalmbach periodically about all kinds of things.

It may have been during a visit, but I think it was just a phone call.

He said substantially that John Dean had called me and said that I had no objection, and I said, "Herb, if you don't have any objection to doing it, I don't have any objection to your doing it, obviously."

He said, "No, I don't mind," and he went ahead.

* * *

Q. So far as you recall the only conversation that you recall is Mr. Kalmbach saying to you, "John Dean has asked me to do this," and you stated that you had no objection. He said that he was checking with you to determine whether you had any objection or not?

A. He was checking on Dean.

Q. On Dean?

A. Yes.

Q. And you said to him, "If you don't have any objection then I don't have any objection"?

A. Right.

Q. Was there any discussion between the two of you as to the purpose for which this money was to be raised?

A. I don't think so.

Q. Did you in any way approve the purpose for which this money was being given?

A. No, I don't think so. I don't recall doing so

Q. Based on your testimony for the background of this, there would have been no basis for your approval or for you to affirm that?

A. That's right. That's why I say that I don't believe that I did.

Q. And your best recollection is that you did not?

A. That's right.

Q. Do you have any recollection of Mr. Kalmbach inquiring of you whether or not this was appropriate sir?

A. Questioning me with respect to that?

Q. Yes.

A. No, I don't.

Q. He did not, to the best of your recollection?

A. I don't have any recollection of his doing so

May 9, 1973:

Q. You had never expressed, say back six or seven months ago, to Mr. Kalmbach that the raising of the money should be kept as a secret matter, and it would be either political dynamite, or comparable words, if it ever got out, when Mr. Kalmbach came to see you

A. No, I don't recall ever saying that.

5. The underscored portions of the declarations quoted in paragraph 4, made by JOHN D. EHRLICHMAN, the

DEPENDANT, were material to the said investigation and,
as he then and there well knew, were false.

(Title 18, United States Code, Section 1623.)

COUNT THIRTEEN

The Grand Jury further charges:

1. On or about April 11, 1973, in the District of Columbia, GORDON STRACHAN, the DEFENDANT, having duly taken an oath that he would testify truthfully, and while testifying in a proceeding before the June, 1972 Grand Jury, a Grand Jury of the United States, duly empanelled and sworn in the United States District Court for the District of Columbia, did knowingly make false material declarations as hereinafter set forth.

Code 1801(b), and of other statutes of the United States and of the District of Columbia had been committed in the District of Columbia and elsewhere, and to identify the individual or individuals who had committed, caused the commission of, and conspired to commit such violations.

3. It was material to the said investigation that the said Grand Jury ascertain the identity and motives of the individual or individuals who were responsible for, participated in, and had knowledge of efforts to conceal, and to cause to be concealed, information relating to unlawful entries into, and electronic surveillance of, the offices of the Democratic National Committee located in the Watergate office building in Washington, D.C., and related activities.

4. At the time and place alleged, GORDON STRACHAN, the DEFENDANT, appearing as a witness under oath at a proceeding before the said Grand Jury, did knowingly declare with respect to the material matters alleged in paragraph 3 as follows:

Q. Did you, yourself, ever receive any money from the Committee for the Re-election of the President, or from the finance committee to re-elect the President?

A. Yes, sir, I did.

Q. Can you tell the ladies and gentlemen of the Grand Jury about that?

A. Yes, sir. On April 6, 1972, I received \$350,000 in cash.

* * *

Q. From whom?

A. From Hugh Sloan.

* * *

Q. What was done with the money after you received it from Mr. Sloan on April 6th?

A. I put it in the safe.

Q. Was the money ever used?

A. Pardon?

Q. Was the money ever used?

A. No, the money was not used.

Q. To your knowledge, was it ever taken out of the safe?

A. No.

Q. To your knowledge, is it still there?

A. No, it is not.

Q. Where is it?

A. I returned it to the committee, at Mr. Haldeman's direction, at the end of November.

Q. November of '72?

A. Yes, '72, or early December.

* * *

Q. To whom did you return it?

A. To Fred LaRue.

Q. Where did that transfer take place?

A. I gave it to Mr. LaRue in his apartment.

* * *

Q. That was either late November or early December?

A. That's correct.

Q. Well, let me ask you this: Why would it have been given to Mr. LaRue at his apartment as opposed to being given to the Committee?

A. Well, Mr. LaRue is a member of the Committee and he just asked me to bring it by on my way home from work.

Q. After Mr. Haldeman told you to return the money, what did you do? Did you contact someone to arrange for the delivery?

A. Yes, I contacted Mr. LaRue.

Q. That was at Mr. Haldeman's suggestion or direction?

A. No.

Q. Why is it that you would have called Mr. LaRue?

A. I don't think Stans was in the country at that time. He was not available.

Q. What position did Mr. LaRue occupy that would have made you call him?

A. He was the senior campaign official.

Q. That's the only reason you called him?

A. That's correct.

Q. No one suggested you call him?

A. No.

* * *

Q. Was anyone present in Mr. LaRue's apartment at the hotel when you delivered the money to him?

A. No.

Q. Did you ever tell anyone to whom you had given the money? Did you report back to either Mr. Haldeman or anyone else that you had delivered the money and to whom you had delivered the money?

A. I don't think so. I could have mentioned that I had done it. When I received an order, I did it.

Q. Did you get a receipt for the money?

A. No, I did not.

Q. Did you ask for it?

A. No, I did not.

A JUROR: Why?

THE WITNESS: I did not give a receipt when I received the money, so I didn't ask for one when I gave it back.

* * *

A JUROR: Did someone count the money when it came in and when it went out, so they knew there were no deductions made from that \$350,000?

THE WITNESS: Yes, I counted the money when I received it, and I counted it when I gave it back.

A JUROR: You solely counted it; no one else was with you?

THE WITNESS: I counted it when I received it alone, and I counted it in front of Mr. LaRue when I gave it back.

A JUROR: You had that money in the White House for seven months and did nothing with it?

THE WITNESS: That's correct.

* * *

Q. So who told you to give it to Mr. LaRue?

A. I decided to give it to Mr. LaRue.

Q. On your own initiative?

A. That's correct.

Q. Who do you report to?

A. Mr. Haldeman.

Q. Did you report back to Mr. Haldeman that you gave it to Mr. LaRue?

A. No, I did not.

Q. You just kept this all to yourself?

A. He was a senior official at the campaign. I gave it back to him. He said he would account for it, and that was it.

Q. Who told you to go to Mr. LaRue and give him the money?

A. I decided that myself.

Q. Do you have a memo in your file relating to this incident?

A. No, I do not.

Q. Did you discuss this incident with anybody afterwards?

A. Yes, I told Mr. Haldeman afterwards that I had given the money to Mr. LaRue.

Q. What did he say to you?

A. Fine. He was a senior campaign official.

Q. What time of day was it that you gave it to Mr. LaRue?

A. In the evening, after work.

Q. Does the finance committee or the Committee to Re-elect the President conduct its business in Mr. LaRue's apartment?

A. No. It was a matter of courtesy. He's a senior official. He asked me to drop it by after work.

* * *

THE FOREMAN: Do you have any idea why Mr. LaRue asked you to return this money to his apartment, where actually you could just walk across 17th Street?

THE WITNESS: No, I do not.

THE FOREMAN: And you could have had the protection of the Secret Service guards with all that money, if you were afraid someone might snatch it from you.

THE WITNESS: I wouldn't ask for the Secret Service guards protection.

A JUROR: Why not?

THE WITNESS: They protect only the President and his family.

THE FOREMAN: Or the White House guards, whoever. I mean, I find it somewhat dangerous for a person to be carrying this amount of money in Washington, in the evening, and you accompanied by your brother, when it would have been much easier and handier just to walk across 17th Street.

THE WITNESS: I agree, and I was nervous doing it, but I did it.

* * *

THE FOREMAN: I'm still puzzled. You get the money from the treasurer or whatever Mr. Sloan's position was in the Committee -- shall we say on an official basis, between the disburser and you as the receiver, and the money sits in the safe for seven months; then Mr. Haldeman decides it has to go back to the Committee. You call Mr. LaRue -- you don't call Mr. Sloan and say "Hugh, seven months ago you gave me this \$350,000 and we haven't used any of it; I'd like to give it back to you since I got it from you", but you call Mr. LaRue.

THE WITNESS: Mr. Sloan was no longer with the Committee at that time.

THE FOREMAN: Well, whoever took Mr. Sloan's place.

THE WITNESS: Mr. Barrett took Mr. Sloan's place.

THE FOREMAN: Why didn't you call him?

THE WITNESS: I honestly don't know.

* * *

Q. When you got to Mr. LaRue's apartment was he expecting you?

A. Yes. I said I would be by.

Q. And no one was present when you were there?

A. No, sir.

Q. Was the money counted?

A. Yes, sir, I counted it.

* * *

A JUROR: It must have taken a long time to count that money.

THE WITNESS: It did. It took about 45 minutes. It takes a long time to count it.

* * *

Q. How did you carry this money?

A. In a briefcase.

Q. Did you take the briefcase back, or did you leave it?

A. No, I left the briefcase.

Q. Whose briefcase was it?

A. Gee, I think it was mine. I'm honestly not sure.

Q. Did you ever get the briefcase back?

A. I don't think so.

Q. Have you spoken to Mr. LaRue since that day?

A. No -- well, I ran into him at a party two weeks ago.

Q. Did you have a discussion?

A. No, just talked to him.

5. The underscored portions of the declarations quoted in paragraph 4, made by GORDON STRACHAN, the DEFENDANT were material to the said investigation and, as he then and there well knew, were false.

Re WFO airtel dated 3/1/74.

For information of the Bureau, Chief Judge JOHN I. SIRICA today heard oral arguments as to what procedure he should take with respect to the report and related documents turned over to him by the Federal Grand Jury on 3/1/74.

White House Counsel JAMES ST. CLAIR advised Judge SIRICA that the President would not interfere with Judge SIRICA's decision whatever it might be and would not argue pro or con in behalf of the White House. ST. CLAIR further stated the President would turn over to the Judiciary Committee all documents and tapes previously furnished to the Federal Grand Jury. In addition, the President will meet and orally discuss any and all matters the Judiciary Committee wishes to hear him on.

Attorneys for the seven individuals indicted on 3/1/74 argued against Judge SIRICA turning over the report and sealed briefcase to the Judiciary Committee for fear that such release would eventually result in "leaks" which could only jeopardize their clients' right to a fair and impartial trial.

Watergate Special Prosecutor's Office (WSPO) argued that the material should be turned over to the Judiciary Committee of the House. Judge SIRICA recessed the hearings shortly after 2:00 p.m. today with a statement that he would "take the matter under advisement."

At 9:05 a.m. on March 12, 1974, Carl Eardley visited my office and advised me that very early on the morning of March 12, 1974, he will meet with a representative of Special Prosecutor Jaworski to be interviewed concerning his knowledge of FBI inquiry into the destruction of materials by former Acting Director L. Patrick Gray, III, and his knowledge of any FBI inquiry into possible perjury on the part of Mr. Gray concerning these matters. Mr. Eardley said that he recalled when he was a Special Assistant to former Acting Director Ruckelshaus, Mr. Ruckelshaus addressed a question to Legal Counsel concerning any possible violations of Federal law by Mr. Gray in regard to his alleged destruction of materials related to the Watergate matter, which had been furnished him by Mr. John Dean. Mr. Eardley asked that I assist him in refreshing his recollection concerning that request and my response.

I located a memorandum dated May 1, 1973, from Legal Counsel to the Acting Director captioned "Watergate" which indicated that a request had been addressed to me from the Acting Director to furnish my opinion as to any possible violations of Federal law by Mr. Gray in this matter. My memorandum pointed out that in the absence of factual basis, I could only describe broad areas in which alleged actions of Mr. Gray might constitute a violation of Federal law. My memorandum detailed several possible violations including possible perjury in Mr. Gray's testimony before the Senate Committee conducting hearings on his nomination to be Director of the FBI. The memorandum concluded

Re: Special Watergate Prosecutor Interview, etc.

that additional facts would be necessary in order for a legal opinion to be rendered and recommended that if such an opinion is required from me that additional facts be obtained and made available by investigative report.

Subsequently, a letter dated May 4, 1973, was addressed to the Assistant Attorney General, Criminal Division, captioned "Watergate," and expressed the intention of Acting Director Ruckelshaus to determine the full facts and circumstances in regard to the disposition of certain property furnished Mr. Gray by John Dean. The letter pointed out that any inquiries by the FBI concerning this matter had to be conducted so as not to impede the work of the Federal Grand Jury and the Federal Prosecutor. The letter requested approval of the Assistant Attorney General for the FBI to order investigation to determine the full facts. Included in this request for investigation was the examination of the testimony of the confirmation hearings concerning Mr. Gray's nomination for any indication of inconsistencies which might constitute perjury.

To my knowledge we received no response from the Assistant Attorney General, Criminal Division, to our letter of May 4, 1973, and I have no further knowledge of the specific facts that were described as necessary for me to render a legal opinion as to whether Mr. Gray had violated any Federal law in regard to material he allegedly received from John Dean and concerning which he may have testified before the Senate Committee.

I permitted Carl Eardley to review a carbon copy of the May 4, 1973, letter to the Assistant Attorney General, Criminal Division, and a carbon copy of my May 1, 1973, memorandum to the Acting Director. Mr. Eardley made notes concerning the statutes cited in my memorandum of May 1, 1973, and indicated that he recalled having read these documents while he was serving as Special Assistant to the then Acting Director Ruckelshaus.

Mr. Eardley then said that his review of these documents refreshed his recollection that the request had been made to me and that my response had been by memorandum, that more facts were needed in order to render a legal opinion, and that authorization to secure such facts had been sought from the Assistant Attorney General of the Criminal Division. Mr. Eardley said that he could recall no specific action ordered or taken on the part of the FBI to determine

Memorandum to Mr. E. S. Miller
Re: Special Watergate Prosecutor Interview, etc.

whether Mr. Gray had committed perjury in his testimony before the Senate Committee.

I telephonically advised Assistant Director Gebhardt that Carl Eardley was in my office and had requested our assistance in refreshing his recollection for purposes of interview by a Special Prosecutor. I requested Mr. Gebhardt to advise me if he could recall any specific efforts made by the FBI to determine whether Mr. Gray had committed perjury in his testimony. After checking, Mr. Gebhardt advised me they could locate no record of such efforts on the part of the FBI. Subsequently, Mr. Gebhardt advised me that the Intelligence Division may have had an interest in this matter.

At 9:30 a.m. on March 12, 1974, Inspector Thomas J. Smith of the Intelligence Division advised me that the Intelligence Division had no knowledge of any specific efforts made by the FBI to make a determination as to whether Mr. Gray had perjured himself in his testimony before the Senate Committee.

Attached to this memorandum are copies of my file copies of the two documents described above.

WATERGATE

At 2:50 p.m., on May 1, 1973, Mr. Felt advised me that you had ordered that additional inquiry be made concerning the activity of Mr. Gray in allegedly receiving property from Mr. Dean in connection with the Watergate investigation, which property was not identified as evidence or otherwise reported by Mr. Gray. Mr. Felt further advised that you requested a legal opinion concerning any possible violation of Federal law that might appear in view of the facts that have been alleged concerning Mr. Gray's receipt of property from Mr. Dean.

In the absence of a factual basis on which to offer a legal opinion, I can describe three broad areas in which the alleged actions might constitute a violation of Federal law.

If it is assumed that a folder concerning certain property was handed to Mr. Gray by Mr. Dean, there are three factual possibilities each requiring a different treatment under the Federal statutes.

(1) If the property was property of Hunt alone, it is possible that actions taken by Mr. Dean and Mr. Gray constituted a violation of 18 USC § 654 which provides punishment for an officer or employee of the United States, or of any department or agency, who wrongfully converts to his own use the property of another which comes into his possession or under his control in the execution of his office or employment. If the property is valued at more than \$100, the punishment is not more than 10 years imprisonment, plus a fine equaling the value of the property. If the property is valued at \$100 or less, the punishment is a \$1,000 fine or imprisonment for not more than one year, or both. It is also possible, of course, for there to have been a violation of 18 USC § 371 (Conspiracy) which could have included Dean, Gray and Ehrlichman.

ENCLOSURE

139-4089-2710

Memorandum to the Acting Director
Re: WATERGATE

(2) If the property was property of the United States Government, it is possible that action taken by Mr. Gray violated 18 USC § 641 which provides punishment for whoever without authority disposes of any record, voucher, money, or thing of value of the United States, or of any department or agency thereof, or any property made or being made under contract for the United States or any department or agency thereof. A \$10,000 fine or imprisonment for not more than ten years, or both, is imposed if the property is valued in excess of \$100. If the property is valued at \$100 or less, the fine is \$1,000, with imprisonment of not more than one year, or both. Again, it is also possible that there may have been a conspiracy in violation of 18 USC § 371.

(3) Regardless of the actual ownership of the property, if the property was of evidentiary value in the Watergate investigation, it is possible that Mr. Gray's action constituted a violation of 18 USC § 1510, which punishes those who endeavor by means of misrepresentation to obstruct, delay, or prevent the communication of information relating to a violation of any criminal statute of the United States by any person to a criminal investigator. The penalty is a fine of not more than \$5,000, or imprisonment of not more than 5 years, or both. It is possible that an agreement to take such action as would violate Section 1510 in this case constitutes a violation of the conspiracy statute, 18 USC § 371.

Moreover, 18 USC § 4, which provides a penalty of not more than \$500 fine or imprisonment for not more than 3 years, or both, for misprision of felony could apply depending upon whether Mr. Gray had actual knowledge of the commission of a felony at the time of his action. If Dean's action constituted a violation of 18 USC § 641 or 654, and the property involved was of a value greater than \$100, then his action would have constituted a felony and Mr. Gray's knowledge of that felony would have placed him in violation of 18 USC § 4. Further, regardless of the ownership of the property, and whether it had any evidentiary value, it is possible that Mr. Gray's testimony before the Senate Committee conducting hearings concerning his nomination may contain statements which are false or misleading when compared with the facts and such statements having been given under oath might be a violation of the perjury statute, 18 USC § 1621.

Memorandum to the Acting Director
Re: WATERGATE

While there are, as indicated above, several possible violations of Federal law involved in the alleged transfer of property from Mr. Dean to Mr. Gray, a legal opinion concerning whether the elements of any of the statutes have been satisfied cannot be reasonably rendered without more facts. Specifically, additional facts are needed as follows:

1. An inventory and physical description of the property.
2. Establish the ownership of each item of property.
3. Determine whether any of the property had any evidentiary value in connection with the Watergate investigation or any other violation of law.
4. Determine the intention of the transferor and that of the transferee in connection with the transfer of the property.
5. Determine whether there was a conspiratorial agreement in connection with the transfer and identify the conspirators.
6. Determine whether any copies of the property or any portions thereof were made; the current location of any such copies which may exist; whether any notes or other summaries of the contents of the property were made; the current location of any such notes or summaries or copies thereof which exist.
7. Determine details as to the disposition of the property following receipt by Mr. Gray.
8. Identify and interview all witnesses to the transfer, any agreement, any copying, summarizing, and disposition of the property. At a minimum those interviewed should include Dean, Gray, Ehrlichman and Hunt.

Memorandum to the Acting Director
Re: WATERGATE

9. Examine the testimony of the confirmation hearings concerning Mr. Gray's nomination for any indication of inconsistent testimony which might constitute perjury.

Any inquiries ordered by the FBI concerning this matter should be conducted so as not to impede the work of the Federal Grand Jury and the Federal prosecutor in this case.

RECOMMENDATION:

That if a legal opinion is required concerning possible violations of law by Mr. Gray, additional facts as indicated be obtained and made available by investigative report.

1. An inventory and physical description of the property.
2. Establish the ownership of each item of property.

INFORMATION CONCERNING**

On March 12, 1974, Richard Hauser, Assistant White House Counsel on Watergate matters, advised the FBI Liaison Office he had received a long-distance telephone call from James Davidson, Goodyear Atomic Corporation (GAC), Piketon, Ohio, office telephone number 614-289-2331, home telephone number 614-286-5269. Davidson identified himself as an Engineer with GAC and claimed to be in a position either to discuss or handle Government contracts. Davidson told Hauser that he had come across information which could probably clear the President and is directly related to the ongoing Watergate investigation. Davidson said he could not discuss this matter over the telephone and suggested someone contact him for an appointment to discuss what he has developed.

James Gary Davidson is a white male, born October 11, 1935, at Detroit, Michigan, home address Route One, Box 48, Jackson, Ohio, currently employed as Senior Engineer, GAC and Atomic Energy Commission (AEC), Piketon, and has a "Q" clearance with GAC. He was interviewed on March 13, 1974, by Special Agent Joseph C. Moore, assigned to the Cincinnati FBI Office. Davidson admitted making several calls over the Federal Telecommunications System to the White House from GAC, and specifically one on March 12, 1974, in which he talked with Richard Hauser, lawyer for President Nixon, concerning Watergate. Davidson related he told Hauser he has information to clear up Watergate and also any impeachment concerning the President.

Davidson alleged since 1954 he has been working on special projects and submitted reports at the personal direction of the late former Director of the FBI, J. Edgar Hoover. He claims his current employment at GAC was arranged by

Mr. Hoover who requested he conduct a survey of the members of Congress to determine who were members of any of the subversive groups designated by the Attorney General, pursuant to Executive Order 10450. He has completed the survey and has determined President Nixon, during tenure as Vice President and President, was not a member of any subversive group and therefore, could not be involved with Watergate. He stated this is the full extent of the information he possesses which would "possibly clear the President," and represents all the information he has regarding any aspect of Watergate.

During the course of interview with Davidson, he advised he has made several telephone calls during recent years from GAC to foreign embassies at Washington, D. C.

Employment records at GAC disclose that Davidson has been employed with GAC, Piketon, since October, 1968, and was granted a "Q" access authorization on January 13, 1969, subsequent to a background investigation completed by the Civil Service Commission, and as of May 26, 1969, that access was still active.

FROM : R. R. Franck

SUBJECT: JAMES WALTER MC CORD, JR.
ET AL BURGLARY OF DEMOCRATIC
NATIONAL COMMITTEE HEADQUARTERS,
6-17-72, INTERCEPTION OF COMMUNICATIONS

Bill Heckman, Chief Counsel of the Subcommittee on Constitutional Amendments, Senate Committee on the Judiciary (an employee of Senator Birch Bayh, D-Indiana), telephonically advised Inspector Bowers late on 3-18-74 that phases of the FBI's investigative activities in connection with captioned matter undoubtedly will come up during confirmation hearings concerning Earl J. Silbert who has been nominated to be U. S. Attorney for the District of Columbia. The American Civil Liberties Union and the Association of State Democratic Chairmen are strongly opposing Silbert's nomination, and Charles Morgan, ACLU Counsel, has filed a brief with the Senate Judiciary Committee outlining various alleged inadequacies in the handling of the early stages of the Watergate inquiry by Silbert. One of the charges made by Morgan concerns the finding of a tap on the phone of R. Spencer Oliver at Democratic Headquarters some weeks after the FBI had searched these offices for electronic devices. Heckman said Silbert has filed a response to Morgan's charges, and in this response has stated that according to the FBI the device on Oliver's phone was placed there after the FBI's check of the offices. He said Silbert indicates in his response that he does not accept that theory.

Heckman asked what information concerning this matter the Senate Judiciary Committee might expect should an inquiry be directed to the FBI. Heckman was told that any such inquiry would have to be submitted through normal channels through the Chairman of the Committee to the Attorney General. Bowers told Heckman that he could give him no indication as to what response would be made to such a request.

No date has been set as yet for the Silbert hearings. Efforts are being made to obtain a copy of the brief filed by Morgan and the response filed by Silbert so that we may be aware of the specific charges and response concerning the above matter and any other information contained in these documents of interest to the FBI.

On 6/29-30/72 (following the arrests of the initial Wagergate defendants early in the morning of 6/17/72), the Laboratory conducted a security search - sweep - of Democratic National Committee Headquarters (DNCH). This search located no monitoring devices. On 9/13/72, as a result of a complaint of a malfunctioning telephone set received from DNCH, a telephone company repairman located a concealed miniature FM radio transmitter within the telephone instrument of R. Spencer Oliver, at DNCH.

By memorandum to Assistant Attorney General Henry E. Petersen dated 9/28/72, Silbert complained we had "goofed" in failing to locate the device in Oliver's telephone instrument. Silbert set out five reasons why he believes the device recovered on 9/13/72 was the original device used to monitor DNCH prior to the arrests of the original defendants. By letter to Mr. Petersen, 10/19/72, the Bureau's observations and refutation concerning each of these points were furnished. Four of the reasons Silbert advanced are speculative in nature and one is completely erroneous.

Our position, expressed to the Department - which we assume was relayed to Silbert - is that our search was conducted by competent employees, thorough in scope, and would have detected the device had it been there at the time of the search. There is no evidence to support Silbert's contention the device was in Oliver's telephone at the time of the security check.

Two additional factors developed subsequent to our response to Petersen are: 1) the device located was inoperative at the time and even when made operative in the Laboratory it would not produce the malfunction of the telephone which caused the complaint to the telephone company which ultimately led to the discovery, and 2) two telephone company employees advised that they had personally examined the phones in DNCH on 6/17-18/72, following the arrests and they also did not locate any concealed devices.

The Laboratory's position in this matter, as recorded with the Department, remains unchanged.

No further action appears warranted at this time.

JAMES WALTER MCCORD

RE: WATERGATE CASE

On April 1, 1974, Mr. Leon Jaworski phoned me. He said that Assistant Director E. S. Miller and Inspector Thomas J. Smith have testified before the Grand Jury and he wanted to point out that neither is a target. He said they are, however, material witnesses and, therefore, should not participate in the investigation of that portion of the investigation touching on matters upon which they testified.

He said that if they did participate or supervise, it would not be construed possibly as completely objective. He, therefore, said someone should be established to act in their stead in this matter. *jm*

Pursuant to this, an individual should be chosen for the purpose outlined above and then a letter prepared to Mr. Jaworski which I will thereafter read to him to see whether or not this performs the mission he outlined to me.

It is requested that this letter be prepared as soon as possible.

Very truly yours,

On 3/27/74 Charles Bolz, Assistant Inspector General, Department of Housing and Urban Development (former Section Chief, Accounting and Fraud Section), called and advised Section Chief Richard E. Long that he had been contacted by Mr. Bob Adams of the Washington Bureau of the St. Louis Dispatch newspaper, on 3/27/74. *mo DC*

Mr. Bolz stated that Adams specifically asked him if he, SAC Charles Bates, and SAC Robert Kunkel were transferred by Mr. Gray specifically because of their pursuing the Watergate investigation. Mr. Bolz stated that he responded positively not and he elaborated that Mr. Bates was transferred to San Francisco at his own request. Mr. Adams wanted to know if our investigation was impeded by Mr. Gray and Bolz stated he responded that our investigation was not impeded by Mr. Gray. Adams asked Bolz if he heard any rumbles that any Agents were going to talk to President Nixon because they felt a slowness of our investigation. Mr. Bolz responded that he never heard of this and again stated that our investigation was not slow. Bolz advised that he told Adams that our investigation was most thorough and complete. Bolz advised that the entire theme of his interview by Adams was concerning the thought of our being curtailed in handling leads in this investigation and Bolz responded to Adams that our investigation was not impeded or curtailed. *P*

REC-86 139-4079-2719

Mr. Bolz advised that he thought it best that he answered the questions of Adams rather than state "no comment."

On 3/20/74 Peggy Rhoades of NBC-TV News telephonically contacted your (Mr. Franck's) office and requested FBI comments concerning information which NBC News had received indicating "that the FBI had told the Administration that monies from the communist countries were going to the Democratic campaign and Democratic candidates during the last election." She was advised that the matter would be checked out and she would be recontacted.

The Intelligence Division has no information relative to this allegation. The General Investigative Division, which has handled the Watergate affair, indicated that Bernard Barker and E. Howard Hunt may have possibly alluded to this during their testimony before the Ervin Committee.

RECOMMENDATION

That Miss Rhoades be advised that the FBI has no knowledge of such an allegation.

James Walter O'McCord, Jr.

On 4/1/74 you called to let me know that Deputy Associate Director Edward S. Miller and Inspector Thomas J. Smith are material witnesses in connection with a matter under inquiry by your office. Because of this, you desired that neither should participate in the investigation of that portion of the inquiry touching on matters upon which they will testify.

You suggested that someone should be designated to act in their stead in this matter. I have, therefore, issued instructions to Mr. W. Raymond Wannall, Assistant Director of our Intelligence Division, to take charge of all investigative matters relating to that portion of inquiries touching on matters wherein either Deputy Associate Director Miller or Inspector Smith will testify. I have also issued instructions that although Messrs. Miller and Smith will continue to cooperate in every possible way with you and your staff, they should not participate or supervise further in matters relating to their possible testimony.

Pursuant to our conversation, I have informed Deputy Associate Director Miller and Inspector Smith that they are not a target for investigation by your office. Both are anxious to provide any assistance possible to your office.

The memorandum of R. R. Franck to Mr. Jenkins, dated 3/21/74 (attached), advised of the receipt from the Senate Judiciary Committee of three items which had been made available to that Committee for use in connection with the nomination of Earl J. Silbert to be U. S. Attorney for the District of Columbia. These items are: a 106 page report prepared by the Washington Office of the American Civil Liberties Union (ACLU) setting forth that organization's analysis of alleged shortcomings of the original Watergate prosecution; a 31 page response (with lengthy attachments) by Mr. Silbert to the ACLU report; and 12 pages of material furnished to the Committee by James W. McCord, Jr., indicating McCord's desire to testify in opposition to Silbert's nomination. These items have been carefully reviewed by the Watergate Special Matters Unit, Accounting and Fraud Section, in accordance with the recommendation of referenced memorandum.

The lengthy ACLU report addresses itself to 23 alleged shortcomings in the investigation and prosecution of those responsible for the burglary of Democratic National Committee (DNC) Headquarters on 6/17/72. None of these items, which are listed on pages IV through VI of the introduction to the report, is new and the response by Mr. Silbert appears to fully rebut each item in the ACLU report.

Although the ACLU report is substantially an attack on Mr. Silbert and was originally filed on 6/18/73 with then Special Prosecutor Cox, item 15 of the ACLU report deals with the tap found on R. Spencer Oliver's telephone at DNC Headquarters on 9/13/72. In this item the ACLU makes the point that nearly three months after the arrests of the Watergate, a tap was found on Oliver's telephone and this is an indication the investigation was not very thorough. Mr. Silbert's response to this point is

Memorandum to Mr. Gebhardt
RE: JAMES WALTER MC CORD, JR.

that while the FBI believed the Oliver tap was a different matter from the original Watergate affair, he personally thought otherwise and made his views known to Assistant Attorney General Petersen and numerous FBI Agents. This matter, of course, is not new and has been thoroughly explored on a number of occasions, at which time the FBI Laboratory has pointed out that no tap was located on Oliver's phone when it, as well as the other telephones in DNC Headquarters, was examined in June, 1972, both by Laboratory personnel and by C&P Telephone Company personnel.

The material furnished by McCord primarily addresses itself to what he believes are improper acts of the President and are a rehash of previously published material relative to the Watergate affair.

OBSERVATIONS

The response by Mr. Silbert to the ACLU report appears to be adequate. It does not appear the FBI should make any comment with respect to these items at this time since to furnish unsolicited comments would merely serve to highlight the ACLU report.

RECOMMENDATION

That the Congressional Services Office continue to follow Silbert's hearings, when they are held, to insure the Bureau's interests are protected.

Reference ~~my~~ memorandum 3-19-74 reporting that Charles Morgan, Counsel for the American Civil Liberties Union, had filed a brief with the Senate Judiciary Committee in opposition to the nomination of Earl J. Silbert to be U. S. Attorney for the District of Columbia in which appeared allegations concerning the finding of a tap on the telephone of R. Spencer Oliver at Democratic Headquarters some weeks after the FBI had checked these offices for electronic devices. This memorandum also showed that Silbert had filed a response to the charges which also contains references to the FBI. It is indicated in referenced memorandum that efforts would be made to obtain a copy of the Morgan brief and the Silbert response.

These items are enclosed along with a communication to the Senate Judiciary Committee from McCord who also wishes to testify during the Silbert confirmation hearings.

A copy of the enclosed material has been sent direct to Mr. White in the Laboratory.

this sort of thing to a friend; however, he felt that the
information he had should be made available to the President
and that he felt MODELL had not reported the \$5,000 to the
IRS. CARAMANNA felt that MODELL had probably told several
people of the money and he requested that if at all possible,
MODELL not be advised that CARAMANNA was the source of the
information. *am*

CARAMANNA advised that he believed MODELL would
furnish information about this matter if he was simply told
that "we know about the money." CARAMANNA advised that MODELL
is very nervous and has a heart condition and should be
handled carefully to avoid exciting him.

It is noted CARAMANNA seemed to overstress his concern about MODELL and his regret for furnishing the information. The general impression was conveyed that CARAMANNA may be attempting to "set up" MODELL, although he at no time made this statement.

REC-64 TR

Enclosed are two copies of a memorandum dated April 8, 1974, received from the Alexandria, Virginia, FBI Office.

It is obvious from a review of the enclosed memorandum that the A. J. Wooten-Smith referred to therein is actually Arthur James Woolston-Smith who has been interviewed by the FBI on two occasions concerning the subject matter of the enclosed memorandum. The results of these interviews on October 2 and October 20, 1972, are contained in the New York, New York, FBI Office report dated November 20, 1972, captioned "Unknown Subject(s); Miniature FM Transmitter Found on Telephone of R. Spencer Oliver; Democratic National Committee Headquarters, Washington, D. C., September 13, 1972," a copy of which was forwarded to Assistant Attorney General Henry R. Petersen on December 7, 1972. That report also contains results of an interview with John J. Regan who, in most probability, is identical to the Mr. Regan referred to in the enclosed memorandum.

The New York report of November 20, 1972, also contains the results of an interview of William Frederick Haddad, who is mentioned in the enclosed memorandum.

This Bureau's investigation did not disclose that Woolston-Smith had any advance knowledge of the June 17, 1972, break-in at Democratic National Committee Headquarters and did not, in fact, prewarn the Democrats of the break-in. No additional investigation in this regard is being conducted by the FBI.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

On April 4, 1974, Dr. Joseph Casolaro, home address Waterford, Virginia, telephone number 882-3517, and office address 921 North Wayne Street, Arlington, Virginia, telephone number 528-8805, voluntarily appeared at the Alexandria Office of the Federal Bureau of Investigation (FBI) and furnished the following information:

Dr. Casolaro advised that he has been a practicing physician in Arlington for approximately 25 years. He stated he has a son, J. Daniel Casolaro, who resides at 11626 Pine Tree Drive, Fairfax, Virginia, telephone number 273-7614, who is 26 years of age and that his son is a free lance reporter. He stated that his son has written articles for the National Inquirer, and numerous trade magazines for the past three years and that approximately three months prior, he decided that he would like to branch out as an investigative reporter. Dr. Casolaro stated that his son's first attempt at being an investigative reporter was to do research on the possibility of prior knowledge of the Democrats on the break-in of the National Democratic Headquarters, Washington, D. C. He stated that his son first contacted the Senate Watergate Committee and was referred to an individual identified as Mr. Lanowet (phonetic),

who he stated is an investigative reporter for the National Observer. He stated his son contacted Mr. Lanowet and in turn was told to get in touch with a Mr. A. J. Wooten-Smith, Science Securities, 6th Avenue, New York City, New York. He stated his son then telephonically contacted Smith, who Dr. Casolaro stated was expecting his call and that Smith revealed to his son that he had an interest in the possibility that the Democrats had prior knowledge about the break-in and that he would be willing to assist J. Daniel in doing research in the matter. Dr. Casolaro stated that from subsequent telephonic contacts his son had with Smith he learned that approximately one month prior to the break-in Smith met with John Stewart, Democratic National Committee Communications Director in the Office of William Haddad, New York City, New York, and at this time they discussed the possibility that there would be surveillances on the Democratic National Headquarters. Dr. Casolaro stated his son also determined that the Democratic National Committee had been sent a letter by Smith in this regard, whereby he requested the meeting and though Smith promised to furnish his son with a copy of the letter, it has not been forthcoming.

Dr. Casolaro stated that in addition to the above meeting, Smith also advised his son that he had met a Mr. Regan, who he stated was an ex-FBI Agent who was a wire tap expert. He stated that when he met Regan, he (Regan) was employed by the Committee to Re-elect the President, and though Smith did not admit to this, he (Dr. Casolaro) deducted from his knowledge of the above meeting and the fact that Regan was employed by the Committee to Re-elect the President the Democrats must have known something was up. Dr. Casolaro stated that Smith additionally indicated to his son that the word was out prior to the break-in on James Mc Cord's attempts to purchase bugging equipment

which he feels certainly makes the possibility that the Democrats were aware that a break-in would occur more evident. Dr. Casolaro had no further information to offer.

Dr. Casolaro advised that his son has not personally ever met A. J. Wooten-Smith. He stated though that his son is excellent at obtaining information and did not consider it unusual that he could develop this information without ever meeting A. J. Wooten-Smith. He further stated that Smith continues to contact his son for progress reports and that Smith neither appears to want credit nor is looking for financial gain from his assistance.

Dr. Casolaro advised that previous to his attempt to furnish his information to the Arlington County, Virginia, Police Department, he had also been in contact with Senator Howard Baker's Office, (first name unknown) Shapiro, who he identified as a law partner of Charles Colson, and numerous other individuals on Capital Hill whom he did not readily recall. He stated that none of these individuals he contacted about the possibility of prior knowledge on the break-in, pursued the matter with him. Dr. Casolaro related that his son also attempted to sell his story to the National Inquirer and to Mr. Lobe, who is the owner of a Manchester, New Hampshire, newspaper, but was turned down by both for lack of sufficient information.

Dr. Casolaro made it a point to state that he is in no way suffering from any mental disorder nor that he is playing partisan politics. He stated that his reason for furnishing this information is as a good citizen in an attempt to protect the Office of the President. He also stated that he hoped that FBI efforts would bring this information into the open. Dr. Casolaro advised that his son, J. Daniel Casolaro, was not aware of his visit to the FBI and did not consider it feasible to contact him in this matter.
